COURSE DESCRIPTION

Signed languages and signing systems frequently used by deaf people are discussed. Cross-linguistic and cross-cultural information on ASL will be discussed. Focus is on ASL, signed English and fingerspelling, and the most common manually coded signed systems. In addition to the acquisition of basic vocabulary and grammar, this course emphasizes knowledge of the characteristics, values and cultural and linguistic diversity of the Deaf Culture. Additional activities and topics may include: discussions of challenges facing families with deaf members, singing/music in signed language, number subsets in ASL, historical and linguistic background of ASL and pioneers of ASL linguistic research.

*******UNM STUDENT EMAIL*******

Please maintain and check your UNM email, notices and reminders will be posted as needed through UNM LEARN.

*******STUDENTS WITH DISABILITIES*******

Students must inform instructor of special needs and provide the necessary university paperwork as soon as possible to ensure that those needs are met in a timely manner. Call 925-8560 or go to website <http://www.unm.edu/~vcadvise/equalaccess.htm>

****Use of Electronic Devices (cell phones/recording audio & video) is not permitted in class.**

****No Food or drinks in Classrooms/VC policy.**

CLASS PARTICIPATION

Class participation is essential in this class. Those who **participate regularly and well** will benefit. If they are within one point of the next higher grade level, they will earn the higher grade. For example, if a student had an 89 average and had participated regularly and well he/she would receive an A- rather than a B+ for the course.

This does not apply for grades between an A and an A+.

PARTNER REPORTS

Requirements outside classroom participation: selection of a partner from within the class. The pair must meet a minimum of twenty minutes each week to practice signing without their voices. A written report is expected from each partner specifying location of practice, time, and a brief summary and both signatures. **Reports are collected weekly throughout the semester. No credit for late partner reports.**

DEAF/HH VISITORS

Deaf/HH children and adults from the community are invited to attend the class to add input and to make certain that no stereotyped image of the “typical” deaf person prevails. Students will be asked to prepare questions for these dates that will be announced later in the semester.

SUPPLEMENTARY MATERIALS

Handouts:

Brief history of sign language. Descriptions of manually coded sign systems

Various articles on mainstreaming, linguistics of ASL, or other appropriate material

Videotapes: “A Basic Course in American Sign Language” Tape #1 (on reserve in the library)

STUDENT BEHAVIOR

While the instructor does not expect problems when working with adult learners, a guiding principle of respect for one another will ensure a safe and productive environment. Interruptions with non-related comments are discouraged. There may be issues a student needs to discuss that would be more appropriately handled in private and outside of the classroom. No Toleration policy for obscene language, sexual harassment, and threatening behavior towards students or instructor. There is a process in place to handle complaints...report to The Chair of CHESS and to the Dean of Instruction.

EXAMS

Students are eligible to take a make-up exam [written only] if they (in UNM handbook)

1. Have an emergency that prevents them from taking the regularly scheduled exam;
2. Alert the instructor to the emergency prior to the regularly scheduled exam
3. Obtain the instructor's agreement that this is an emergency and that the regularly scheduled exam cannot be taken.

Make-up receptive exams are strongly discouraged due to the nature of sign language and the fairness to those who attended the scheduled test.

ACADEMIC HONESTY

Students found cheating or plagiarizing will receive a zero for the exam or assignment in question.

GRADING CHART Grades are determined from the total test scores accumulated, signing skills, class participation, and weekly partner reports.
