Hatha Yoga Course Description:
Ha means sun, Tha means moon. The word yoga means to unite or make whole. We will continue our individual Journey inward, practicing awareness of the body and paying attention to its feedback. We will challenge our ideas of what the body can do, benefiting the body systems, including; skeletal, muscular, circulatory, respiratory, digestive, eliminative, endocrine, nervous, pranic and mental. It is important to respect one’s own limitations, which may change from day to day and moment to moment. Take a friendly approach to the body, move slowly and with control, never bounce or push into areas of pain.

Blanket (woven Mexican throw style)
Yoga belt (10ft.)
Sticky mat
An empty stomach
Beginner’s mind
A respectful and supportive attitude towards yourself and others

Student Learning Outcomes:

1. Students will continue to establish yoga skills from practicing yoga asana to achieve or maintain strength, joint stability, posture, and balance. Instructor will assess visually and offer assistance to improve alignment and stability.
2. Students will continue to practice breath awareness and deepening the breath to release stress, rest the mind, increase energy levels and improve concentration.
3. Students will continue to demonstrate knowledge of the poses used in variations of surya namaskar (sun salutation), terminology and skeletal landmarks.
4. Students will develop an appreciation of yoga as a form of exercise to create an integrated balance of the body, mind, and spirit.

Hatha Yoga is physical yoga. **Attendance is a must! This represents the major factor of your grade.** Each class counts 15points. There are 14 classes in the eight-week course. It is important to arrive a few minutes early and stay for the entire class. There is no provision for excused absences if you miss a class you forfeit the points, this includes students who enroll late. If you miss 4 classes you may fail or be dropped from the course. Arriving late or leaving early three times may equal one absence.
Course Requirements:

Attendance and participation – 210 possible points, it is your responsibility each day to scan in at the front desk and sign in on the sign-in sheet, otherwise, you will be counted as absent. The majority of your grade is based on participation and attendance. This will address student learning outcomes 1-5.

Journal, at least 8 entries in a blue book – 40 points Pick one class per week, date it, and follow this format: #1 Describe how you feel before class. #2 Make a stick figure drawing of a posture you remember from class. List the alignment cues for the posture. Reflect on your experiences with the posture and the breath. #3 Describe how you feel after class. As your last entry answer these questions: Did you develop an appreciation for yoga? Why or why not? As one entry copy the stick figure drawing of the sun salutation in sequence. The journal will help the instructor assess your learning process and will correspond with student learning outcomes 1 through 5.

Due Date: Journal Wednesday April 27th (-10pts after due date)

A+ = 100% - 250 points (Full journal points, and perfect attendance)
