Course Description

Welcome to English 110 (Composition)!

English 110 introduces you to academic writing, research, and argumentation. You will design and research a project of your own and will summarize, synthesize, evaluate, and integrate secondary sources to support your own argument.

You will work on learning rhetorical approaches and analyze rhetorical situations in terms of audience, contexts, purpose, mediums, and technologies, then apply this knowledge to your reading and writing. You will also extend your understanding of how writing and other modes of communication (such as visual and audio elements) work together for rhetorical purposes.

Course Objectives

Throughout the semester in English 110, you will progress toward the following student learning outcomes:

1. **Create essays using the appropriate genres required for writing tasks.** Genres are types of rhetorical strategies, or ways you present information. Your teacher will ask you to respond to questions that require a specific genre. These may include evaluative, ethical, cause and effect, and literary.

2. **Organize your essay.** Organization includes employing a number of skills, such as writing strong thesis statements and topic sentences, using transitions, organizing sentences within focused paragraphs, and ordering paragraphs in logical way.

3. **Develop your paragraphs.** Development includes using examples and support to help illustrate your points. You, quotations from readings and/or web sources are also required in two essays. You will be required to produce essays 3-4 pages in length.

4. **Read texts accurately.** To be successful writers and thinkers, you should read critically, summarize accurately, and/or analyze insightfully. You will also be required to analyze and evaluate web sources that you use to support your points.

5. **Revise and edit papers.** Using good writing strategies, including prewriting, drafting, revising, and editing, will help you create strong essays. You will be
required to demonstrate an ability to revise and edit in the final portfolio and in papers submitted during the semester.

6. **Write good, well-crafted sentences and use correct grammar.** Awkward sentences and grammatical errors make writing hard to read and result in bad communication. Because this is a college course, the inability to use correct grammar is one reason for failing papers or the course. Therefore, in English, you must demonstrate competency in these areas: 1) **fragments**, 2) **comma splices/run-ons**, 3) **pronoun reference and point of view**, 4) punctuation, focusing on commas, apostrophes and quotation marks, and subject verb agreement. You need to demonstrate this competency by passing an assessment with a 73% or higher and by writing correctly edited papers.

7. **Use MLA for formatting papers and citing sources.** This learning outcome includes using MLA formatting for presenting papers citing sources to avoid plagiarism. You will focus on learning to cite and find web sources.

**Library Literacy Outcomes**

1. Students will access Libros and find a book relevant to the writing project.
2. Students will learn how to skim that book and find quotations that are both relevant and appropriate for the paper.
3. Students will be able to identify what type of database source they have found, e.g. magazine, journal, newspaper, website.
4. Students will write a correctly formatted Works Cited page.

**Instructor Information**

I am not online after 5:00 pm and before 8:00 am. Please give me at least 24 hours to respond, Monday through Friday. I am offline during the weekend.

**Tutoring**

Free tutoring is available at the Learning Center (505) 925-8907 [http://www.unm.edu/~tutor/](http://www.unm.edu/~tutor/). Writing Lab tutoring sessions are scheduled weekly for all English classes. Students may receive up to 30 points (5 points each session) for attending tutoring sessions or Writing Labs.

**Required Texts and Materials**

- UNM email address and access to UNM Blackboard Learn
- Access to Google Docs
- Access to Internet and Microsoft Office (available on UNMVC computers)

**Attendance Policy and Overall Participation:**

Attendance will be taken at the beginning of class. Missing class is not an excuse for being unprepared; if you are absent, it is your responsibility to keep up with reading, get
class notes from a fellow student, and/or see me during office hours or by appointment if you have questions about the material. **Students who miss the first week will be dropped. Students who miss more than 4 classes will be dropped. Two instances of arriving 10 minutes after class begins, or before it ends count as an absence.**

Excused absences include documented hospitalization or other documented, unexpected extreme emergencies; if excessive absenteeism that falls under the purview of “excused absences” continues, I reserve the right to drop students from the course. Please note: doctor’s appointments, child-care, court dates, and job scheduling conflicts do not count as excused absences.

Students who miss the first week will be dropped (those registered at the immediate start of the semester.

**Plagiarism**

Plagiarism means using language and/or ideas without acknowledging their source. Plagiarism includes such activities as copying another student’s papers or ideas, downloading and turning in papers from the Internet, or copying passages from sources without proper documentation, or rephrasing an author’s ideas and presenting them as the student’s new, original thoughts. Plagiarism in this course may result in one or more of the following consequences: failure of the assignment, failure of the course, or disciplinary action by the University. To learn how to avoid plagiarism, students can speak to me, consult a tutor, or refer to [http://library.acadiau.ca/tutorials/plagiarism/](http://library.acadiau.ca/tutorials/plagiarism/).

**Classroom Behavior**

While I do not expect problems when working with adult learners, these policies ensure a safe and productive classroom environment. The following policies are listed in the University of New Mexico Student Handbook.

1) Students must treat one another and the instructor with respect. Derogatory remarks or name-calling is prohibited.
2) Students should not interrupt classroom lectures or discussion with non-related comments.
3) Students may discuss complaints about the course with their instructor; however, the students must do so in the proper environment, such as the instructor’s office during office hours.
4) Class time is a professional learning environment. Obscene language will not be tolerated.
5) Sexual harassment will not be tolerated.
6) Behavior that threatens the safety of any class member, including the instructor, will not be tolerated. Intoxication, physical assault and/or battery, violence, stalking, or threats fall into this category.
7) Students must not threaten the instructor concerning their grades. This type of behavior is considered harassment and/or verbal assault.
8) If you ever feel unsafe on campus, please call security at (505) 925-8570.
9) Food and beverages are not permitted in the classroom.

Students violating any of these rules will be asked to leave the class for the day.
Computer and Technology Policies

When in computer labs, refrain from using computers during class time for entertainment, social networking, or personal emailing. The same rule applies for cell phones. No texting or phone calls are allowed. Repeated problems with texting and phone calls can result in a student being asked to leave the class, and can affect that student’s grade. Please be respectful and mindful of the students around you!

Email Netiquette Policy

Please keep the following in mind when you write emails:

- Please avoid text-speak. Learning to write professional emails early on is a skill you need as you progress to higher academic levels and career pursuits.
- Emails that you write to me during the semester should include professional language, addressed with a subject heading including the type of question you are asking. For example, “Essay 1” would be an appropriate subject heading for a question regarding the first essay.
- Emails should also include a salutation. For example, “Dear Dr. Martínez” or “Hello Dr. Martínez” would be an appropriate salutation. Part of Composition is learning when and how to use proper diction and registers of language, and in a formal setting like a college course, professional titles are appreciated.
- Please close with an appropriate phrase and sign your email with your name. Some examples of appropriate phrases are “Sincerely,” or “Thank you for your help.”.
- Use short paragraphs (in general, 3-4 lines maximum) to make the email easy to read. In addition, be sure to skip lines between paragraphs.
- Be sure to proofread your email for grammatical errors.

Equal Access

Accessibility Services located in Student Services provides academic support to students who have disabilities. If students think they need alternative formats for completing coursework, they should contact this service right away to ensure their needs are met in a timely manner. Students are responsible for getting all documented forms to me as soon as possible. I cannot accommodate any special needs without the proper authorization from UNM Valencia Campus Accessibility Services. Pursuant to the American with Disabilities Act (ADA), I accommodate documented special needs and encourage students to discuss their concerns with me.

They are located in Advisement & Counseling Services Student Services Building, 280 La Entrada Rd., Los Lunas, NM 87031, 505-925-8560. http://www.unm.edu/~vcadvise/equalaccess.htm

NB: In order for me to best accommodate you, please submit the appropriate paperwork to me within the first two weeks of the semester.

Office of Equal opportunity and Title IX

In an effort to meet obligations under Title IX, UNM faculty, Teaching Assistants, and Graduate Assistants are considered responsible employees. This designation requires that any report made to a faculty member, TA, or GA regarding sexual misconduct or
gender discrimination must be reported to the Office of Equal Opportunity and the Title IX Coordinator. For more information on the campus policy regarding sexual misconduct, see: https://policy.unm.edu/university-policies/2000/2740.html

**Required Work and Grading**

All formal writing assignments must follow MLA format and be typewritten, double-spaced in a 12pt, Times New Roman font.

*subject to change

Grades will be determined on a traditional percentage system, with the appropriate plus or minus sign: 100-90% = A; 89-80% = B; 79-70%= C; 69-60% = D; and below = F. You need a “C” (74% or 740 points) to pass this course.

**Essays**

You are required to turn in 3 formal 3-4 page essays (not including the Works Cited page). Each essay requires credible sources to be incorporated in text and in the Works Cited page *(Wikipedia does not count)*. Students may be dropped from the class for failure to turn in one of the major essays. I will provide instructions and rubrics for each assignment at the beginning of each new unit. Students have the option to revise if they receive a grade of “D” or below. I will not accept revisions after two class periods, and I cannot guarantee that this will improve the grade unless there are both major organizational, content, and surface revisions. The highest grade that a revised essay can receive is a “B.”

**Late Policy**

I will not accept essays more than two days after the assigned date. For each day the essay is late, the assignment will be marked down half a letter grade, so make sure to turn in your essays in a timely manner. If you know that you will not be in class on a due date, make arrangements to turn in your essay early, or have it turned into the Academic Affairs office with a stamp by 5:00 pm. I will not accept essays as email attachments.

**Grammar Quizzes**

Open-book grammar quizzes on Blackboard Learn will be available at the beginning of the semester and will shut on the scheduled days according to the syllabus. Quizzes can be completed before the deadlines, but not after. Students have half an hour, and one attempt, to complete these quizzes. Quizzes cannot be made up.

**Blackboard Learn**

Students are responsible for posting responses to discussion questions/prompts that I have posted on our UNM Blackboard Learn site. These questions are designed to generate class discussion, promote further inquiry into our topics, and scaffold the higher
stakes essays. Learn posts are due before we meet as a class on the assigned due date; students may not turn in late posts.

**Writing Workshops and Peer Reviews**

Built into our schedule are writing workshops intended to give you a jumpstart on your essays, as well as help you get used to constructively evaluating your peers’ work through brainstorming, questioning, group discussions, and other class exercises. To receive credit for a workshop, students must be present, actively participating, and producing work.

**Participation**

Participation is mandatory in this course. Participation means actively participating in your education; just sitting in your seat and allowing everything to sink in (the “osmotic method”) is not actively participating. I strongly urge you to take notes in class, ask questions, and participate in class and group discussions. In addition, I ask you to complete drafts, assignments, quizzes readings, and collaborative projects.

**Grammar Examination**

In week 14, I will give a comprehensive grammar examination over all of the grammatical and mechanical terms that we’ve covered throughout the semester. This grade counts as 10% of your final grade.

**Portfolio**

- The portfolio is a collection of your work and contains one original and graded essay from the semester, a revision of this essay, and a cover letter.
- Portfolios receive a pass/fail and a letter grade. A team of instructors will determine the effectiveness of students’ overall expository writing ability and readiness for English 120. Portfolios will be evaluated using the learning outcomes.

**Please Note: You need a “C,” at least 74% to pass the course:**

A “C- ” means that the student has failed the course and must retake the course.

**Student Privacy**

Student privacy is strongly protected by professors at UNM-VC. The federal FERPA strictly prohibits the instructor or administrators from talking to anyone but the student about his/her progress. If a student has questions about a grade on an assignment or about the final grade for the course, FERPA dictates that the student is the only one who may speak to the instructor regarding their grades. All other outside requests for information release must be sent to and approved by the UNM-VC registrar: (505) 925-8580 [http://www.unm.edu/~unmvc/Admissions/admiss.htm](http://www.unm.edu/~unmvc/Admissions/admiss.htm)

**Technical Support**
If you have questions about computer-related problems, call 277-5757, M-F, 8:00 am-12:00 noon and M-F, 1:00 pm-5:00 pm MST. Computer technicians are available and happy to help you solve those difficult problems.
