

# ECON 105: Introductory Macroeconomics

---

Fall 2015

<b>Course:</b>	ECON 105 Section 502 and Section 503
<b>Schedule:</b>	MONDAY, August 17, 2015, through <b>SATURDAY</b> , December 12, 2015
<b>Class Time and Place:</b>	<p>Our Week begins on Monday at 7:00 a.m. and ends at 11:59:59 PM on Sunday. This is mountain time so if you are taking this class in another time zone you will need to adjust the times accordingly. Please note that our class ends on a <b>Saturday</b>.</p> <p>We will meet online through UNM Learn at <a href="https://learn.unm.edu">https://learn.unm.edu</a>. No face-to-face meetings occur in this class.</p>
<b>Prerequisites:</b>	<p>Although there are no pre-requisites for this class, students will need to have basic computer skills, keyboarding skills, and a good grasp of using the Internet and UNM Learn. A High speed Internet connection is needed for this course.</p> <p>If you do not know how to use UNM Learn contact your college for orientation times and places.</p>
<b>Instructor:</b>	Cheryl L. Bernier, Business, Technology and Fine Arts Department Instructor
<b>Contact Information:</b>	<p>E-mail: <a href="mailto:cbernier@unm.edu">cbernier@unm.edu</a> Voice Mail: (505) 925-8500</p> <p>School location: UNM-Valencia Campus 280 La Entrada Los Lunas, NM 87031</p>
<b>Virtual Office Hours:</b>	<p>Online course with virtual office hours</p> <p>As needed and requested, online</p>

<b>Textbook:</b>	Macroeconomics, Fourth Edition, by Paul Krugman and Robin Wells, Worth Publishing, 2015. ISBN – 13: 978-1-4641-1037-5 ISBN -10: 1-4641-1037-9
<b>Supplies Needed:</b>	Required textbook (see above), consistent access to a computer with reliable Internet access.

**Communicate with teacher** — The best way to contact me is by email [cbernier@unm.edu](mailto:cbernier@unm.edu) or through the “mail” function on the course menu of your UNM Learn class. Please allow 48 hours for a response.

## Course Requirements

You must have a book prior to beginning this course. You may either purchase an online book or purchase through the UNM-Valencia bookstore. You will also need to have access to high speed Internet connection.

## Class Format

This is an online class, which means that you are responsible to get your work completed and submitted on time. Since we are using technology and the Internet, problems with technology happen sometimes. Do not wait until the last minute complete your assignments or quizzes. Pay close attention to the days and times that UNM Learn is down for upgrades and work around their scheduled outages. All assignments and correspondence will be submitted through the UNM Learn platform. Emailed assignments are not accepted.

## Assignments

You will find your assignments and tasks listed under the course schedule icon in UNM Learn. You are given a due date on each assignment. If you do not submit the assignments by the deadline you will automatically have 10 percent deducted. **Assignments or posts made more than 7 days late, or after the course has ended, whichever comes first, will not be accepted, without exception.**

Discussion board assignments must be posted to the appropriate forum on the discussion board.

## Discussion

The discussion area is a place for you to get to know your peers. If you have questions regarding the class you should post them in this area for all to see. Chances are they may have the same questions. This is also an area to just talk with your peers.

I will also assign discussion cases or questions. These discussion questions are to be answered by all students in the class. Students are also required to make at least two comments to peers for each weekly discussion task. Assignments from 1-7 days late will receive a late penalty of 10%. Posts made more than 7 days late than the due date will not be graded. Students who post answers to the assignment but do not provide comments to peers will also be docked at least 5 points.

## Quizzes and Assessments

**Quizzes and assessments will be given to test students' knowledge and application of skills.**

These quizzes will be based on the readings and assignments that you complete in each lesson. Quizzes are taken in UNM Learn online. Exams will also be taken in UNM Learn. You will have both a midterm and a final exam.

## Attendance

This is an online course so it is the student's responsibility to attend class through UNM Learn and complete all work assigned. Assignments are due on the due date and should be submitted through UNM Learn. You CANNOT afford to get behind. Non completion of the course or failing will affect your grade and thus may affect any scholarships, grants, or financial aid, requiring payment back to the offering institution. For attendance purposes, students are expected to log onto the class at least once every 7 days. Students who fail to log onto the class and allow more than 7 days to pass without logging on MAY be dropped from the course.

DO NOT assume, however, that if you do not log into the class, you will be dropped. If you choose not to pursue the course, it is ultimately your responsibility to officially drop the course. Please make yourself aware of drop dates.

## Course Description

ECON 105 Introductory Macroeconomics (3 credit hours): Economics on a national scale: determination of national income, employment level, inflation, and impact of policies affecting money supply, interest rates and government programs. Current macroeconomic issues and problems. *Suggested prerequisites: ENGL 101 and MATH 120. UNM Core Curriculum – 4: Social & Behavioral Sciences. New Mexico Lower - Division General Education Common Core Curriculum – Area IV: Social/Behavioral Sciences (NMCCN 2113).*

This is an online class so students will need access to High Speed Internet (dial up connection will be difficult) and the student should have basic keyboarding and computer skills. 3 credit hour course.

## Student Learning Outcomes:

By the end of this course, students will be able to:

1. Explain the concepts of opportunity cost, comparative advantage, and exchange
2. Demonstrate knowledge of the laws of supply and demand and equilibrium and use supply and demand curves to analyze responses of markets to external events
3. Explain the circular flow model and use the concepts of aggregate demand and aggregate supply to analyze the response of the economy to disturbances
4. Explain the concepts of gross domestic product, inflation, and unemployment and how they are measured
5. Describe the determinants of the demand for money, the supply of money and interest rates and the role of financial institutions in the economy
6. Define fiscal policy and monetary policies and how these affect the economy
7. Explain foreign exchange rates and markets and the balance of payments
8. Explain how trade restrictions affect the economy

## Course Grading Policy

**Make-up and Late Assignment Policy:** All work is due on the due date. Late assignments and assessments will be accepted up to 7 days after the due date but will receive a penalty of ten percent. Assignments submitted more than 7 days late will not be accepted. Nothing will be accepted after Saturday, December 12, 2015, without exception.

### Grading:

100% - 93% = A	89% - 87% = B+	79% - 77% = C+	69% - 67% = D+
92% - 90% = A-	86% - 83% = B	76% - 73% = C	66% - 63% = D
	82% - 80% = B-	72% - 70% = C-	62% - 60% = D-

**Grade Weighting:** The following percentages will be used to determine the final grade:

<b>Midterm exam (150 points):</b>	<b>15%</b>
<b>Final exam (200 points):</b>	<b>20%</b>
<b>Quizzes (4 at 50 points each):</b>	<b>20%</b>
<b>Assignments (3 at 50 points):</b>	<b>15%</b>
<b>Discussion Questions/Cases (6 at 50 points):</b>	<b>30%</b>

## **Students with Disabilities who need Accommodations**

If you are a student with disabilities who might need reasonable accommodations in academic settings, please communicate with me as soon as possible so that we may make appropriate arrangements to meet your needs. If you are requesting specific accommodations, you are required to have your accommodations officially documented by the UNM Disability Resource Center.

## **Academic Dishonesty**

The UNM Catalog definition states, “Academic Dishonesty includes, but is not limited to: dishonesty in quizzes, tests or assignments; claiming credit for work not done or done by others; hindering the academic work of other students; and misrepresenting academic or professional qualifications within or outside the University. Any student who has been judged to have engaged in academic dishonesty in course work may receive a reduced or failing grade for the work in question and/or for the course.

## **Withdrawal from Class**

Please refer to the UNM Valencia Website for deadlines for dropping a class. It is the student’s responsibility to drop the class. DO NOT assume that your instructor will drop you or change your grade if you fail to make progress in the class.

## **Incomplete Grade Policy**

If you have completed 85% of the points for the semester (attendance as defined by logging into the class on a minimum of once every 7 days, submitting assignments, taking and passing exams and quizzes, participating in discussions) and are experiencing obstacles to completing the semester, contact me to talk about the possibility of an incomplete. If an incomplete is granted,

you must have the remaining assignments as agreed upon completed by the end of the next semester. PLEASE NOTE – it is your responsibility to complete the assignments in a timely manner. If not completed, your INC automatically turns into an F.

Students missing assignments through poor time management and then asking for an Incomplete WILL NOT BE GRANTED ONE. Incompletes are only given to accommodate students with extreme and extenuating circumstances beyond their control.

Students must initiate the request for an incomplete. It will not be given automatically. Requests must be received by me by Saturday, December 12, 2015. Requests received after this date will not be considered.
