

Questions about a Nursing Career?

Live Q & A Session

The mission of the UNM-Valencia ADN program is to develop professional nurses with abilities to promote, restore, and maintain health for individuals, families and groups within our rural community. Come explore why Nursing is a high-demand stable career choice.

If you are interested in Nursing, join our live Q&A session about applying to the Nursing program.

May 27, 2026 at 3:00 p.m.
