

The Allied Health programs include Emergency Medical Technician Basic (EMT-Basic), Emergency Medical Technician Intermediate (EMT-I), Personal Care Attendant (PCA-Home Health Aid), Nursing Assistant (CNA), and Phlebotomy Technical (PBT). Each program is designed in a short-term format featuring hands-on, skills-based learning techniques in the UNM-Valencia Health Sciences Lab, followed by clinical skills training in various healthcare settings specific to each course. A UNM certificate is awarded upon successful completion of each of the Allied Health programs.

Fall 	Course	Credits
	PBT 101: Phlebotomy Technician	8
	PBT 102L: Phlebotomy Technician Clinical	4
		Total Program Credit Hours = 12

Career and Educational Advancement Opportunities

Students at UNM-Valencia can enroll in various allied health programs, which build on fundamental skills necessary for healthcare roles. Phlebotomists are sought after in healthcare and laboratory settings. For those planning to transfer to a four-year institution, the Associate of Science in General Science offers a foundational academic core suitable for healthcare careers.
