Hatha Yoga is physical yoga. **Attendance is a must! This represents the major factor of your grade.** Each class counts 13 points. There are 16 classes in the eight-week course. It is important to arrive 10 minutes early and stay for the entire class. There is no provision for excused absences if you miss a class you forfeit the points, this includes students who enroll late. If you miss 4 classes you may fail or be dropped from the course. Arriving late or leaving early three times may equal one absence.

Course Requirements:

Attendance and participation – 208 possible points, it is your responsibility each day to scan in at the front desk and sign in on the sign-in sheet, otherwise, you will be counted as absent. **The majority of your grade is based on participation and attendance.** This will address student learning outcomes 1- 5.

Journal, at least 8 entries in a blue book – 42 points Pick one class per week, date it, and follow this format: **#1** Describe how you feel before class. **#2** Describe how you feel after class. **#3** Make a stick figure drawing of a posture you remember from class. List the alignment points taught in class to set up the posture. Do the posture on your own. Describe your experience within the posture; physically, mentally and with the breath. As your **last entry** answer this question: How did taking this course affect you and your life? As one entry copy the stick figure drawing of the sun salutation in sequence. The journal will help the instructor assess your learning process and will correspond with student learning outcomes 1-5.
