When you submit an assignment via UNM Learn, you will receive an email receipt of your submission from *do-not-reply@learn.unm.edu*. Save this email as confirmation of your submission.

GRADING PROCEDURES

How Grades Are Reflective of Expected Learning Objectives:

Course grade will be based on the sum of all possible points and reflect student's exam performance, the completion of in-class exercises (ICEs), out-of-class assignments (OCAs), a slidedeck presentation, and pitch competition submission. Students will showcase their ability to identify key functions of management, demonstrate a basic vocabulary in business management, recognize and identify the specific formal elements that make up a business, and interpret and analyze how formal elements contribute to the operation of a business through their coursework, presentations, and exam performance. Students can expect a grading response time of 10 business days on all submitted coursework, presentations, and exams.

Exams:	40%
In-Class Exercises (ICEs):	30%

Out-of-Class Assignments (OCAs):	15%
Slidedeck Presentation:	10%
Pitch Competition Submission:	5%

Grading Policy, Point Breakdown:

There will be four (4) in-class exams.
(4 exams @ 10% per exam = 40%)

There will be thirty (30) in-class exercises (ICEs).
(30 in-class exercises @ 1.0% per in-class exercise = 30%)

These exercises will be completed in-class, during class time, and will be turned into the instructor at the end of the class session. These in-class exercises cannot be made-up. "In-Class Exercises" (ICE) are required so that you will be able to complete exercises that are very similar to if you were enrolled in a traditional face-to-face course offering.

There will be thirty (30) out-of-class assignments (OCAs).
(30 out-of-class assignments @ 0.50% per out of class assignment = 15%)

These assignments will require out of class notes on the topics contained within the chapter, will be completed individually by the student, will be turned into the instructor on the date indicated on the syllabus, will be legibly hand written, and will be limited to one single page front and back. Late work on these assignments will not be accepted. Emailed versions of these assignments will not be accepted. Students need to turn these assignments at the beginning of the class session and must remain in the classroom until dismissal to receive full credit.

There will be one (1) Slidedeck Presentation.
(1 presentation @ 10% per presentation = 10%)

This presentation will be based on the out-of-class assignments (OCAs) and in-class exercises (ICEs) that are completed from the course secondary required text Dear Mr. A (aka The Next Level Entrepreneur)

There will be one (1) pitch competition submission.
(1 pitch competition submission @ 5% per submission = 5%)

This submission will be based on the out-of-class assignments (OCAs) and in-class exercises (ICEs) that are completed from the course secondary required text Dear Mr. A (aka The Next Level Entrepreneur)

Grading Scale

Final grades will be based on the sum of all possible course points as noted above.

Grade	
90 -100	A
80 -89.5	B
70 -79.5	C
60 -69.5	D
< 59.5	F
