Intro Psychology

Valencia Campus – Internet Section

Professor Paul Davis, MS

#### INSTRUCTOR CONTACT INFORMATION:

As an adjunct professor for UNM I do not have an on campus office or phone. The best way to contact me is through email ([davispaul@unm.edu](mailto:davispaul@unm.edu)). My information is available in our course; in the left-hand menu click on People then set the All Roles Drop down to Teacher, I will be the only one listed there.

Office hours: By appointment only, please use email to arrange meetings.

#### COURSE DESCRIPTION:

This course will introduce students to the concepts, theories, significant findings, methodologies, and terminology that apply to the field of psychology.

#### STUDENT LEARNING OUTCOMES:

Upon completion of the course students should be able to:

1. Explain how the scientific method and psychological research methodologies are used to study the mind and behavior.
2. Recall key terms, concepts, and theories in the areas of neuroscience, learning, memory, cognition, intelligence, motivation and emotion, development, personality, health, disorders and therapies, and social psychology.
3. Explain how information provided in this course can be applied to life in the real world.
4. Identify the major theoretical schools of thought that exist in psychology as they relate to the self, the culture, and the society.

#### TEXTBOOK:

Our book is Essentials of Psychology by Saul Kassin, Gregory Privitera, and Krisstal Clayton.

It is included in the course at no charge to you. Access it by clicking on the “RedShelf Course Materials” link in the left hand menu.

## GRADING:

This course has 9 assignments worth a total of 1,000 points. There is no weighting, where some “points” are worth more than others. In my class a point is a point is a point.

- Grade Calculation:

0 to 699 Points	-- F
700 to 799 Points	-- C
800 to 899 Points	-- B
900 to 979 Points	-- A
980 + Points	-- A+

I do not give grades of D, or plus / minus grades except for A+ for over 98% of points earned.

- Assignments and Point Values:

Weekly Assignments	7 at 100 Points each = 700 Possible
Flex Assignments	2 at 150 Points each = 300 Possible
Total Possible	1,000 Points

### LATE SUBMISSION POLICY:

All deadlines for this course are on Friday night at 11:59 pm. The standard to determine if a submission will be considered on time is the time stamp given to the assignment by Canvas. All submissions that are time stamped after the deadline will be penalized. Up to 35% of the point value of the assignment might be lost. Students that communicate with me MAY receive consideration for exigent circumstances.

The last day to submit any course work will be Saturday 10-12 at NOON. After that time no credit will be given unless there is a **prior** arrangement in place.

### SUBMISSION FORMATS:

- You are free to work in the Word Processor of your choice (Docs, Pages, Word).
- All work should be saved and submitted as a Microsoft Word .doc or .docx file.
- I accept work as a PDF with a 10% penalty.
- I cannot open documents written in Pages.
- I do not open any links to a Google doc.

### DROPPING THIS COURSE:

If something happened during the semester and you need to stop this class there are three available options.

You can Drop the course through LoboWeb or with the Registrar. This option is only available in the first weeks of the course and the deadline is noted in the course calendar above. The result would be that the attempt to take this class will not even show up on your transcript.

You can Withdraw from the course through LoboWeb or with the Registrar. This process is available for more than half the course, but if you wait too long you will need to get a form signed by the Dean in order to be able to do so. The result would be a grade of W on your Transcript. Generally this is better than getting an F, but please consult with an Academic Advisor to understand the impact of this on your GPA and/or financial Aid.

You could just stop submitting assignments. The result of that would be your grade would be based on whatever work has been submitted and graded. See the Grading section above for additional details.

### ACADEMIC INTEGRITY:

Having academic integrity is paramount to your success in any class. Plagiarism or cheating is not tolerated. Any instance of this will result in a grade of zero for that assignment. Click [Here](#) for the UNM Academic Dishonesty Policy. The policy states:

*Each student is expected to maintain the highest standards of honesty and integrity in academic and professional matters. The University reserves the right to take disciplinary action, up to and including dismissal, against any student who is found guilty of academic dishonesty or who*

*otherwise fails to meet the expected standards. Any student judged to have engaged in academic dishonesty in course work may receive a reduced or failing grade for the work in question and/or for the course.*

Academic Dishonesty is defined as:

*"Academic dishonesty" includes, but is not limited to, dishonesty in quizzes, tests, or assignments; claiming credit for work not done or done by others; hindering the academic work of other students; misrepresenting academic or professional qualifications within or without the University; and nondisclosure or misrepresentation in filling out applications or other University records.*

An additional note that is not a part of that policy that I am sure will be at some point in the near future. The use ChatGPT and other such bots to create assignments will be considered to be academic dishonesty and will be reported to the University as such.

#### ACCOMMODATIONS:

If you have a documented disability, the Equal Access Services office will provide me with a letter outlining your accommodation(s). I will then discuss the accommodations with you to determine the best learning environment. If you feel that you need accommodations, but have not documented your disability, please contact Sarah Clawson, the coordinator for Equal Access Services at 925-8840 or [sjclawson@unm.edu](mailto:sjclawson@unm.edu).

#### EQUAL OPPORTUNITY AND NON-DISCRIMINATION:

In an effort to meet obligations under Title IX, UNM faculty, Teaching Assistants, and Graduate Assistants are considered "responsible employees" by the Department of Education (see page 15 - [Title IX Handbook](#)). This designation requires that any report of gender discrimination which includes sexual harassment, sexual misconduct and sexual violence made to a faculty member, TA, or GA must be reported to the Title IX Coordinator at the Office of Equal Opportunity ([oeo.unm.edu](http://oeo.unm.edu)). For more information on the campus policy regarding sexual misconduct, see this page in the [University Policies Handbook](#).

#### STUDENT DEMOGRAPHICS AND EMAIL:

Please check your contact information in Banner and keep it updated. As a reminder official policy is that you need to use your UNM address for all email communication with me.
