## **COURSE REQUIREMENTS/ATTENDANCE**

**Discussions:** Some modules will have a discussion where you will be able to share thoughts/ideas/resources with classmates revolving around culture, lexical variations, family traditions ect. For full credit you will be required to respond to two classmate's posts. Because these are interactive assignments, meaning they are assignments that require a response to other classmate's posts, late assignments will not be accepted.

**Grammar Assignments:** Grammar assignments will be available in each week's learning module. The online grammar assignments provide practice of the material presented in the learning modules. All exercises should be submitted before or on the assigned due date. The reason for requiring that online exercises be completed by the scheduled due date is because this is not a self-paced course.

**Presentations:** In lieu of a midterm each student will be assigned a Spanish speaking country. In a **PowerPoint** presentation you will focus on some of the following topics: food, culture, traditions, history, languages, government ect. More information and a Rubric will be provided.

**Lección Cultural:** These assignments are designed to highlight the fascinating aspects of Latin@ and Hispanic cultures in various countries.

**Final Exam:** Final will cover the grammar content.

### **Grading:**

5% Lección Cultural

50% Grammer Assignments

**Attendance Policy:** Learning a new language well requires consistent effort. In the online classroom attendance and participation are determined by your involvement and engagement with the weekly assignments. There are assignments that must be completed each week on Canvas.

The particular hour and day you "attend" aren't important, but you must show participation regularly and while logged on, e.g., posting on the discussion boards, submitting assignments, and completing other course work.

Students must actively participate during the first week of class through responses and/or assignment completion. A student who does not submit the required tasks/assignments for Week 1 and has not contacted the instructor may be dropped from the course. If you get access to Canvas after the beginning of the semester it is your responsibility to complete the missed assignments within two weeks. After two weeks they will not be accepted late. This is not a self-paced course, and late assignments will not be accepted.

Support: Center for Academic Program Support (CAPS) <https://caps.unm.edu/>. Many students have found that time management workshops can help them meet their goals (consult (CAPS) website under "services").

**Withdrawal Policy:** Participants are expected to comply with UNM regulations regarding withdrawal from a course as noted in the class schedule. Note: If you have not shown regular participation for the first full week of the course you may be dropped for non-attendance. Students should not assume they will be dropped automatically. Please drop the class if you no longer intend to attend.
