Hatha Yoga Course Description:
Ha means sun, Tha means moon. The word yoga means to unite or make whole. We will continue our individual Journey inward, practicing awareness of body alignment. We will challenge our ideas of what the body can do, benefiting the body systems, including; skeletal, muscular, circulatory, respiratory, digestive, eliminative, endocrine, nervous, pranic and mental. It is important to respect one's own limitations, which may change from day to day and moment to moment. Take a friendly approach to the body, move slowly and with control, never bounce or push into areas of pain.
