**Course Description**

**Welcome to English 219—Technical and Professional Writing.** This course will introduce students to the different types of documents they will create in their professional careers. In this course, students focus on evaluating research sources as well as develop a coherent structure, clear style, and compelling page layout on a variety of scientific and workplace documents. Students learn useful writing and research strategies they can use as they write correspondence, procedures, resumes, presentations, proposals, and lab reports derived from studies in Science, Technology, Engineering, and Math. The course is ideal for Chemistry, Biology, Geology, Math, IT, Business, English and Engineering majors. Prerequisite: English 110 with a “B” or better, or English 120 with a “C” or better.

---

**Student Learning Outcomes**

**Analyze Rhetorical Situation:** Students will analyze the subject, purpose, audience, and constraints that influence the documents they you write to ensure they achieve specific and useful results [NM HED Area I Core Competency 3].

**Find and Evaluate Information:** Students will gather information from professional, academic, and government sources, evaluating the information they find for quality, validity, and usefulness [NM HED Area I Core Competency 5].

**Compose Information:** Students will develop strategies for generating content and organizing it into a logical structure that is appropriate for their intended users; they will consider ethical influences for the documents they compose; they will work effectively with others to create documents [NM HED Area I Core Competencies 3 and 4].

**Present Information:** Students will edit and revise their writing to provide unambiguous meaning and coherent structure; they will incorporate visual elements to improve the reader’s understanding; they will create an overall design that enhances readability and shows professionalism [NM HED Area I Core Competency 4].

---

**Required Materials**

- Markel, Mike. *Technical Communication*. 12th Edition. New York: Bedford/St. Martin’s, 2018. (Available at UNM Valencia bookstore)
- Uninterrupted access to the internet is needed for the course, as well as basic word processing, writing, and research skills.
- NetID and Password

## Instructor Biography

Dr. Heather Wood is Associate Professor of English and Chair of the Humanities Division at the University of New Mexico-Valencia Campus. She has been teaching undergraduate English for fifteen years, motivating her students with a true passion for the written word. Dr. Wood has taught all levels of college writing including Developmental English, English as a Second Language and Accelerated Composition in hybrid, face-to-face, and online formats. She now specializes in Multi-Cultural Women's Writing and Technical Writing. Her pedagogy embraces a commitment to Service Learning, Social Justice, and Equity/Inclusion. Previously, Dr. Wood served as English Program Coordinator, organizing the *Reading New Mexico* literary series and coordinating the English department curriculum. She was nominated UNM Online Teacher of the Year in 2017.

## English 219 Assignment List

• Quizzes (14 @ 10 points each)	140 PTS	(8.75%)
• Business Letter	100 PTS	(6.25%)
• Resume & Cover Letter	100 PTS	(6.25%)
• Corporate Ethics Assignment	100 PTS	(6.25%)
• Audience Analysis Memo	100 PTS	(6.25%)
• Web Page Design	100 PTS	(6.25%)
• Graphic Design Evaluation	100 PTS	(6.25%)
• Instructions Assignment	100 PTS	(6.25%)
• Technical Project Abstract	100 PTS	(6.25%)
• Proposal First Draft	100 PTS	(6.25%)
• Proposal Final Draft	100 PTS	(6.25%)
• Annotated Bibliography	100 PTS	(6.25%)
• Technical Report First Draft	50 PTS	(3.125%)
• Technical Report Final Draft	200 PTS	(12.5%)
• Technical Report Presentation	110 PTS	(6.875%)
<b>Total Points Possible</b>	<b>1600 PTS</b>	<b>(100%)</b>

## Grade Scale

As noted above, there are 1000 points possible in this course. Grades will be determined using a traditional percentage system: 100-90% = A (1000-900 points); 89-80% = B (899-800 points); 79-73%= C (799-700 points); 69-60% = D (699-600); and below = F.

Score	Grade
93-100	A
90-92	A-
87-89	B+
83-86	B
80-82	B-
77-79	C+
73-76	C
70-72	C-
67-69	D+
63-66	D
60-62	D-
0-59	F

---

### **Assessment of Student Work**

---

Student work is assessed based on the Student Learning Outcomes (SLOs) listed above. Assignment rubrics are utilized, which correspond to the SLOs. These describe whether student work meets the assignment requirements. The activities in the course teach students the skills needed to master the learning outcomes of the course. Rubrics will be made available to students and will appear on the weekly Blackboard page. In general, an “A” is given when work is of superior quality, a “B” is assigned for solid work, a “C” for acceptable work, a “D” for work that does not meet the assignment requirements in one or more ways, and an “F” for work that fully fails to meet the requirements of the assignment. Feedback in the form of rubrics and/or in-text comments will be provided to students so that they can see areas of potential improvement.

---

### **Attendance Policy**

---

Regular logins to our course Blackboard page are necessary for success in the course. Assignments open on Monday mornings and close on Sunday nights. Sunday night at midnight is the deadline to turn in the week’s assignments. Assignments must be turned in on the Blackboard page in the appropriate assignment area. You can e-mail me at any time through the Blackboard Mail function for assistance with course-related questions. I can also help you via telephone or in person during office hours. If you have questions, it is to your advantage and your responsibility to get the answers you need early on so you don’t fall behind in the course. If you like, we can set up an appointment that accommodates your schedule. My contact information is listed at the top of the syllabus and under the faculty profile page on Blackboard Learn.

---

### **Plagiarism**

---

Plagiarism is the practice of appropriating someone else’s work or ideas and passing it off as one’s own. Copying information from the internet is one of the most common forms of plagiarism and is strictly forbidden in college writing. Plagiarism can also include such activities as copying another student’s paper, downloading and turning in papers from the Internet, or copying passages from outside sources without proper documentation. Any of these forms of plagiarism is unacceptable. All outside sources will be tracked by internal electronic source trackers on Blackboard Learn. All research must be properly cited or the offending paper will receive a failing grade. Students who plagiarize may also receive an “F” in the course and may be reported to the judicial affairs office for disciplinary action by the University.

---

### **E-Mail Etiquette**

---

Please use professional etiquette when sending e-mails to me during the semester. E-mails should be addressed with a subject heading including the type of question you are asking. For example, “Technical Abstract” would be an appropriate subject heading for a question regarding the Technical Abstract. E-mails should also include a salutation. For example, “Dear Professor Wood” would be an appropriate salutation for an electronic message. Be sure to sign your first and last name and proofread your e-mail for grammatical errors. Please avoid text-speak.

---

### **Navigating Your Online Course**

---

Because this class is administered fully online, it is important to have a high level of skill in operating computers. It is not recommended for students with limited computer skills to take an online course. The following tips will help students navigate the course. If you have computer problems, including log in or technical issues, please call (505) 277-5757. For issues with Blackboard Learn, tutors in the Learning Center can advise you at (505) 925-8907.

### **Below Are Student Success Tips for this Online Course:**

- Be familiar with your syllabus. This document is located on the Blackboard Learn Course home page. Please print it out and refer to it throughout the semester when you have questions. Feel free to e-mail, call or stop by my office hours, as well, for personal attention regarding assignment requirements. If you are not free during my scheduled office hours, please call or e-mail for an appointment. I will be happy to schedule a meeting time that works for you.
- Become familiar with Blackboard Learn software. Click on each of the Course Tools to discover the navigation system of your online course. You may want to visit The Learning Center at UNM-Valencia Campus if you need additional help learning how to interact with the course.
- Keep copies of your assignments organized logically on your flash drive or desktop computer. If you do not know how to save files, please go to The Learning Center or call for assistance. It is important to name all files based on their assignment title so you can easily access and upload them. All documents must be submitted in Microsoft Word file format. Students have access to free Microsoft Office Suite through Outlook Express.
- Be proficient using the Course Messages system in Blackboard Learn. If you need to send me a message, do the following: 1) click on “Course Messages” in Course Tools, 2) then click on “Browse for Recipients,” 3) choose my name, 4) type your message and 5) click “Send.”
- Create a routine—here is a suggested routine to help you get started.
  1. Log on! Lessons open on Monday morning and close the following Sunday night at midnight. On Monday, log in and read the list of assignments for the week. Make sure you have all materials you need to complete the assignments, such as page numbers or links. Write down due dates and print out assignments.
  2. Read the assignments actively, highlighting important ideas. Use any resources (dictionary, thesaurus, etc.) to help you acquire necessary information. Be pro-active and disciplined in your study habits.
  3. Log on periodically throughout the week to check course e-mails and review new threaded discussions or blog responses. Watch for new announcements.
  4. Check Discussions. If discussions are required, please take these exercises seriously. In responses, respect the opinions of others. Finally, run spell and grammar check on your postings.
  5. Importantly, give yourself ample time to submit work well before the deadline. No late work is accepted in the course, so submitting your assignments well before the deadline is highly advised.

### **Technical Assistance**

---

If you have questions about computer-related problems, please call (505) 277-5757, M-F, 8:00 am-12:00 noon and M-F, 1:00 pm-5:00 pm MST. Computer technicians are available and happy to help you solve those difficult problems. If you do not know how to use one of the Blackboard tools, try one of the tutorials available on the [Blackboard LEARN information page](#). In addition, tutors are available at UNM-Valencia The Learning Center to help you navigate the course. Please call for an appointment at: (505) 925-8907.

---

### **Equal Access**

---

In accordance with University Policy 2310 and the Americans with Disabilities Act (ADA), academic accommodations may be made for any student who notifies the instructor of the need for an accommodation. It is imperative that you take the initiative to bring such needs to the instructor's attention, as I am not legally permitted to inquire. Students who may require assistance in emergency evacuations should contact the instructor as to the most appropriate procedures to follow. Contact [Accessibility Services](#) at (505) 925-8560 to obtain an Equal Access form. This needs to be sent to the professor within the first two weeks of class.

---

### **Academic Support**

---

Free tutoring is available at the Learning Resources Center (L Building) on the UNM-Valencia Campus or through the Main Campus tutoring program. Please call (505) 925-8907 for an appointment at the Valencia Campus. I am also available to help you with individual writing issues during my office hours or by appointment.

---

### **Late Policy**

---

Assignments must be turned in on the due date indicated on the syllabus. No late work will be accepted under any circumstances. Failure to log in does not free you from this requirement.

---

### **Student Privacy**

---

Student privacy is strongly protected by professors at the UNM-Valencia Campus. In fact, a federal statute called FERPA (Family Educational Rights and Privacy Act) strictly prohibits the instructor or administrators from talking to anyone but the student about his/her progress. In sum, parents, relatives, or friends will not be allowed access to information about student performance. There are no exceptions to this policy.

---

### **Incompletes (I grade)**

---

Incompletes are rarely offered and only in extreme situations where the student is unable to complete the final project, usually due to an emergency health event. Students may earn an "I," or incomplete, which is neither a passing nor a failing grade. An "I" is assigned if students have completed all the coursework, but due to some unforeseen emergency (the instructor may ask for documentation concerning the emergency), are unable to complete the final project. Students must complete the work by the end of the following semester, or the University automatically converts the "I" to an "F."

---

### **Library Contact Information**

---

The [UNM Valencia Campus library](#) is an excellent resource for articles and books. Leann Weller, the campus librarian, is always available to help students with research issues. Her phone number is (505) 925-8993.

## **Classroom Behavior**

---

While this is an online course, the policies below still apply to our course. The following policies are listed in the University of New Mexico Student Handbook and are set to ensure a safe and productive learning environment for all students.

- 1) Students must treat one another and the instructor with respect. Derogatory remarks or name-calling is prohibited.
- 2) Students should not interrupt classroom lectures or discussion with non-related comments.
- 3) Students may discuss complaints about the course with their instructor; however, the students must do so in the proper environment, such as the instructor's office during office hours. Constant complaining in class may result in the student being asked to leave for the day's lesson; continued complaining after the first warning may result in the student being dropped from the course.
- 4) Students should not yell or curse at other students or at the teacher. Class time is a professional learning environment. Obscene language will not be tolerated.
- 5) Sexual harassment will not be tolerated.
- 6) Behavior that threatens the safety of any class member, including the instructor, will not be tolerated. The offending student will be asked to leave for the day and may be dropped from the course. Security will be called. Intoxication, physical assault and or battery, violence, stalking, or threats fall into this category.
- 7) Students must not threaten the instructor concerning their grades. This type of behavior is considered harassment and/or verbal assault. Security will be called.
- 8) If you ever feel unsafe on campus, please call security at (505) 925-8570.
- 9) No food or drink is allowed in class.

## **Title IX Statement**

---

In an effort to meet obligations under Title IX, UNM faculty, Teaching Assistants, and Graduate Assistants are considered "responsible employees" by the [Department of Education](#). This designation requires that any report of gender discrimination which includes sexual harassment, sexual misconduct and sexual violence made to a faculty member, TA, or GA must be reported to the Title IX Coordinator at the Office of Equal Opportunity ([oeo.unm.edu](http://oeo.unm.edu)). [Click here](#) for more information on the campus policy regarding sexual misconduct.

## **Course Calendar**

---

\*\*Below is the assignment calendar for English 219. Specific assignment instructions as well as additional audio & video tutorials will be furnished on Blackboard Learn.

### **Week 1 (January 14-20)**

#### **Introduction to English 219**

Assignments: Secure Textbook, Read & Print Syllabus, Explore the Blackboard Page, Watch Opening Video Tutorials, Read Chapter 1 *Technical Communication*, Complete Student Contract & Quiz 1

**Due: Student Contract, Quiz 1**

### **Week 2 (January 21-27)**

#### **Writing Correspondence for the Workplace**

Assignments: Read Chapter 14 *Technical Communication*, Write a Business Letter Using the Instructions on Blackboard Learn, Watch Video Tutorial Online. Complete Quiz 2

**Due: Business Letter, Quiz 2**

### **Week 3 (January 28-February 3)**

#### **Writing Job Application Materials**

Assignments: Read Chapter 15 *Technical Communication*, Write a Resume & Cover Letter using the Instructions on Blackboard Learn, Watch Video Tutorial Online, Complete Quiz 3

**Due: Resume, Cover Letter, Quiz 3**

### **Week 4 (February 4-10)**

#### **Understanding Legal and Ethical Considerations of the Workplace**

Assignments: Read Chapter 2 *Technical Communication*, Complete Corporate Ethics Exercise on Blackboard Learn, Complete Quiz 4, Watch Video Tutorial Online

**Due: Corporate Ethics Exercise, Quiz 4**

### **Week 5 (February 11-17)**

#### **Analyzing Your Audience and Purpose**

Assignments: Read Chapters 3 & 5 *Technical Communication*, Review *Technical Communication* PP. 376-378 for Memo Format, Complete Audience Analysis Memo, Complete Quiz 5, Watch Video Tutorial Online

**Due: Audience Analysis Memo, Quiz 5**

### **Week 6 (February 18-24)**

#### **Designing and Evaluating Online Documents**

Assignments: Read Chapters 11 & 13 *Technical Communication*, Complete Web Page Design using instructions on Blackboard Learn, Complete Quiz 6, Watch Video Tutorial Online

**Due: Website Design Project, Quiz 6**

### **Week 7 (February 25-March 3)**

#### **Understanding the Elements of Graphic Design**

Assignments: Read Chapter 12 *Technical Communication*, Read "Using Tables and Figures," Chapter 3 from *Writing Papers in the Biological Sciences*, and read "The Data Suggest" by Christopher Gillen (PDFs provided on Blackboard Learn), Complete Graphic Design Evaluation, Complete Quiz 7, Watch Video Tutorial Online

**Due: Graphic Design Evaluation, Quiz 7**

### **Week 8 (March 4-10)**

#### **Writing Definitions, Descriptions, and Instructions**

Assignments: Read Chapters 8 & 20 *Technical Communication*, Complete Instructions Assignment on Blackboard Learn, Complete Quiz 8, Watch Video Tutorial Online

**Due: Instructions Assignment, Quiz 8**

---

**Spring Break (March 11-March 17)**

---

### **Week 9 (March 18-24)**

#### **How to Effectively Write Abstracts & Proposals**

Assignments: Read Chapters 10 & 16 *Technical Communication*, See *Technical Communication* P. 493 for Abstract Format, Complete Abstract of Technical Project, Complete Quiz 9, Watch Video Tutorial Online

**Due: Abstract of Technical Project, Quiz 9**

### **Week 10 (March 25-31)**

#### **Writing Proposals for the Workplace**

Assignments: Review Chapters 10, 11 & 13 *Technical Communication*, Complete First Draft of Proposal Assignment on Blackboard Learn, Complete Quiz 10, Watch Video Tutorial Online

**Due: First Draft of Proposal, Quiz 10**

### **Week 11 (April 1-7)**

#### **Editing and Proofreading Documents**

Assignments: Read Chapter 19 and Appendix C *Technical Communication*, Complete Final Draft of Proposal on Blackboard Learn Integrating Professor Feedback, Complete Quiz 11, Watch Video Tutorial Online

**Due: Final Draft of Proposal, Quiz 11**

### **Week 12 (April 8-14)**

#### **Conducting Research and Documenting Sources**

Assignments: Read Chapters 6 & Appendix B *Technical Communication*, Conduct Primary and Secondary Research for Technical Report, Complete Annotated Bibliography, Complete Quiz 12, Watch Video Tutorial Online

**Due: Annotated Bibliography, Quiz 12**

### **Week 13 (April 15-21)**

#### **Writing Technical Reports-First Draft**

Assignments: Review Chapters 17-19 of *Technical Communication*, Complete First Draft of Technical Report, Quiz 13, Complete Quiz 13, Watch Video Tutorial Online

**Due: First Draft of Technical Report, Quiz 13**

### **Week 14 (April 22-28)**

#### **Writing Technical Reports-Final Draft**

Assignments: Review Chapters 6, 17-19, Appendix A & B of *Technical Communication*, Complete Final Draft of Technical Report, Watch Video Tutorial Online

**Due: Final Draft of Technical Report**

### **Week 15 (April 29-May 5)**

#### **Making Oral Presentations/Creating Online Presentations**

Assignments: Read Chapter 21 *Technical Communication*, Complete Technical Project Presentation using Web Platforms such as Prezi or PowerPoint on Blackboard Learn, Complete Quiz 14, Watch Video Tutorial Online

**Due: Presentation, Quiz 14**

### **Week 16 (May 6-11)**

#### **Final Course Completion**

Assignments: Final Extra Credit Assignment

**Due: Extra Credit Assignment**
