GAME 130 – Digital Imaging Techniques

updated 1-2019

UNM Valencia, Game Design and Simulation

Spring 2019

Monday | Wednesday, 1:30 pm - 2:45pm

Instructor: Jonathan Morrison

jonmorri@unm.edu

Campus Office Hours: Monday & Wednesday 10:30-12:00

Tuesday & Thursday 10:30-12:00

Also by appointment

B&T 110

Office: Business & Technology Room 105C

Course Description

This course focuses on creating and manipulating UV's. Utilizing Zbrush, Roadkill, Photoshop, and Substance to create diffuse, ambient occlusion and normal maps as well as PBR material maps. After learning how to create the different maps the focus will be on transferring them into Unreal Engine 4.

Objectives

- Demonstrate a working knowledge of creating UV's in Zbrush
- Demonstrate a working knowledge of creating UV's in 3ds Max
- Demonstrate a working knowledge of the different map types, Ambient Occlusion, Normal and Diffuse Maps.
- Using Photoshop to create texture maps
- Demonstrate a working knowledge of the latest software Substance for PBR texturing

Required Text

None

Student Responsibilities/Attendance/Participation

Student Responsibilities:

- Students <u>must</u> have basic computer and file management skills for all GAME courses. Custom tutoring services are available through the TLC. Required pre/co requisite is IT 101: Computer FUNdamentals. Students that fall behind due to lack of basic computer skills will be dropped.
- Bring a USB Flash Drive (at least 32 GB) to every class. Make sure it is clearly labeled with your name on it.
- Have access to the required text(s) and other subscriptions as required
- If you have a disability, please inform me of your needs as soon as possible to ensure that your needs are met in a timely manner.
- Cell phones need to be muted during class times. If you must receive a call, leave the lab before you answer. No
 phone conversations in the studio. No web browsing, email, or text messaging during lectures, demos,
 discussions, or critiques.
- COMPUTERS WILL BE OFF DURING ALL CRITIQUES!!!

Attendance/Participation:

- Students are required to complete all projects on time, participate in scheduled critiques/class discussions/presentations, and maintain a safe, respectable, positive lab environment.
- Students are required to attend class, arrive on time, remain present until the end of class, and be prepared for each day's work. More than three absences without prior consultation may result in a failing grade or a drop from the class. Leaving early or arriving late three times results in one absence.
- If you have not attended class for three consecutive class periods and have made no attempt to call/email/IM/contact me, you WILL be dropped.
- Students who do not attend the first week of class will automatically be dropped.

Grading Policy

Grading:

- Grading is based on a timely completion of course assignments, the quality of individual technical and critical development, conceptual progress, personal commitment and the ability to work in a community studio setting.
 Personal commitment involves regular attendance, consistent effort, completion of work, participation in presentations, critiques and class discussions, and the general willingness to try. Make each project meaningful to yourself!
- Each assignment will culminate in a presentation, which will consist of discussing your work and/or projecting your completed work in class for all to see. All due dates will be announced in Blackboard, as well as on the syllabus. No full credit will be given for any late work. If an assignment is not presented on time, an automatic 0 will be issued. You will need to make arrangements with me if you are planning to make-up the work, and a fair grade will be issued once the work has been submitted, presented, and critiqued, minus an automatic one letter grade deduction.
- Incompletes are rarely issued. If 75% of the semester's work/projects/deliverables and participation/attendance have been completed with a satisfactory grade, and incomplete may be issued.

Grading Breakdown

Semester Requirements:

Projects 24 points

Final Project 26 points

Assignments 20 points

Midterm and Final Exams 30 points 15 points each

Extra Credit:

Extra Credit 10 points maximum for the semester

Points will be added up and a letter grade will be issued according to the following scale:

A+	101+
Α	94-100
A-	90-93
B+	88-89
В	84-87
B-	80-83
C+	78-79
C	74-77
C-	70-73
D+	68-69
D	64-67
D-	60-63
F	50-59

Campus Office Hours: Monday & Wednesday 10:00-12:00

Tuesday & Thursday 10:00-12:00

Also by appointment

B&T 110C

Office: Business & Technology Room 105C

Email:

You can email me at <u>jonmorri@unm.edu</u> In the Subject Line of the email, ALWAYS write your full name and class number. For example – "Jonathan Morrison GAME 205"

Support Information, Resources, & Tutorials

Access to the book:

- <u>University of New Mexico Valencia Bookstore:</u>

o http://www.unm.edu/~unmvc/Bookstore/Bookstore.htm

- Library System:

o University of New Mexico Valencia Campus Library:

http://www.unm.edu/~unmvclib/

• There will be one copy on reserve. You will need to check it out at the front desk. It will only be available for 2-hour checkout, and cannot ever leave the library.

Purchase Online:

If you plan on purchasing this book online, you need to do so immediately. We will start using it right away! A couple of sources for purchase online are:

Amazon.com: www.amazon.com - some new, some used

Half.com: <u>www.half.ebay.com</u> - discounted prices for used books!

Open Studio Time – Digital Media Arts Open Lab & Darkroom:

- Located in Room 123A in the Business & Technology Building (directly in front of the current B&T open computer lab Room 123). You will need to enter the lab through the current B&T computer lab and sign-in to use the computers.
- Monday through Thursday 8:00am to 8:00pm
- Friday 8:00 am to 2:00 pm

Other tutorials:

- I will post a number of links to video tutorials in Blackboard for this course.

Instructor Support:

Please see "How to Contact the Instructor" for methods of contacting the instructor for help.

Community Support:

We will have a HELP FORUM discussion board in the Blackboard course. Use this as a place to post questions to the community. It is important for peer learning and peer communication to enhance our community.

Title IX Statement:

A Note About Sexual Violence and Sexual Misconduct: As a UNM faculty member, I am required to inform the Title IX Coordinator at the Office of Equal Opportunity (oeo.unm.edu) of any report I receive of gender discrimination which includes sexual harassment, sexual misconduct, and/or sexual violence. You can read the full campus policy regarding sexual misconduct at https://policy.unm.edu/universitypolicies/2000/2740.html. If you have experienced sexual violence or sexual misconduct, please ask a faculty or staff member for help or contact the https://policy.unm.edu/universitypolicies/2000/2740.html. If you have

Course Schedule

Spring 2019:

Semester begins January 14 Semester ends May 11 HOLIDAYS:

Spring Break: March 11-18

Dates	Schedule
Week 1	• Introductions
	Review Syllabus
	Review Blackboard Lecture: What is a LIV LIV a can
	Lecture: What is a UV, UV a can
Week 2	Lecture: UVing and basic types of projections
	Project 1: UV a Cabin
Week 3	Lecture: Seams seams and more seams!
	Roadkill
	Turn in Project 1
Week 4	Project 2: Texturing a Turtle model
	Lecture: UVing and texturing a turtle
	Using photoshop for painting textures
Week 5	Lecture: cont' UVing and texturing a turtle
	Using photoshop for texturing via images
Week 6	Lecture: All the maps
	Project 3: Texturing Sci Fi models
	Project 2: Turn in
Week 7	Lecture: Creating a character UV
	Project 4: UV and Texture a game character for midterm
	Project 3: Turn in
Week 8	Work on midterm project

Week 9	Work on midterm project
Week 10	Present characters (Project 4)
Week 11	 Lecture: How to create alpha maps and what they are used for Project 5: Small garden
Week 12	 Present Project 5 Lecture: Zbrush sculpting and painting Project 6: Zbrush Wall
Week 13	 Lecture: Zbrush exporting maps and mesh Project 6: Turn in
Week 14	 Lecture: Substance Designer and PBR Materials Color ID maps Final Substance project assigned
Week 15	Work on Final
<u>Week 16</u>	Postmortem Final Project Presentations

^{*}Schedule is very tentative and could easily change depending on the classes needs
