

Art Practices II - ARTS 1230 501

Spring 2022

Class: Monday, Wednesday 10:00 am- 12:30 pm, VABS 105
Instructor: Erin Gould, elgould@unm.edu
Office Hours: 12:30-1:30 (after class) in classroom, or by appointment via Zoom

Course Content

In Art Practices II, we will consider, analyze, and make works of art through the lense of various conceptual motives in contemporary art. This is an interdisciplinary course, exploring the processes, ideas, and diverse media of visual arts. The course addresses the thematic concepts that are central to the nature of art making today. These assignments will investigate issues of MOTIVE and CHANGE. A slide lecture, assigned readings, and a short response paper will accompany each project. Students are encouraged to explore widely and to approach each project with the materials and methods they feel are most appropriate for their concept. Visual problem solving will be emphasized throughout the course, in addition to the nature of artistic meaning.

LEARNING OUTCOMES:

During this course students will demonstrate ability to:

- Produce creative works that explore, interpret, and/or question issues of ethics, identity, sustainability, invention, and time in relation to the creative arts.
- Make appropriate choices regarding materials and processes in order to reinforce conceptual goals in each project.
- Integrate research into content based reasoning during the development of creative works, taking into consideration global and multi-cultural influences in contemporary art practices.
- Critically analyze personal, contemporary, and historical works of art, as well as the artwork created by peers for both aesthetic and conceptual quality, both verbally and in writing.
- Revise personal creative works in response to constructive critique of personal creative works by instructors and/or students.

MY EXPECTATIONS:

- You complete all assignments promptly.
- You attend all scheduled classes and arrive on time.
- You work, draw, write, read, and think at least 6 hours outside of class time each week.
- You engage seriously with each project and push yourself to grow creatively.
- You actively participate in class discussions and critiques to the best of your abilities.
- You act responsibly in the studio, whether in class or at your home, with regard to your own safety and that of your classmates.

MY COMMITMENTS:

- ★ The classroom should be a place of excitement, curiosity, and joy. I will do my best to keep boredom to a minimum.
- ★ You have chosen to be here, therefore, I serve you and your learning. As your instructor, I will trust and respect you.
- ★ My role is not to convince you of my opinions, but to help you form your own. Art is subjective! I will do my best to never speak over you or make you feel like I do not value your opinions.

- ★ If following your interest in a project or assignment brings your work outside of the parameters of that assignment, your passions come before my guidelines. I will do my best to support your explorations and not penalize you for being creative.
- ★ I will never ask you to compete against one another. There is no limit to how many As or Bs will be given, and differences of opinions are encouraged (as long as we respect and support each other).
- ★ While it is important for you to learn the vocabulary of art and art making, I will never penalize the use of common language or references to popular culture. Art is made in the world, not above it.
- ★ I will never force anyone to participate in ways that make them uncomfortable. I will do my best to make space and time for everyone to contribute in whatever way they need.
- ★ I will never judge or criticize you for ways that you differ from me, whether that be race, gender, sexuality, religion, nationality, class, politics, or culture. I will do my best to not only respect, but encourage you to explore, share, and express any differences in your life.
- ★ I am always learning and trying to be a better teacher. If you ever want to share with me any ways that I could make this learning experience better for you, I will greet that with gratitude!

STUDIO PROJECT OVERVIEW (see project sheets for details)

<p>project one due 2/7</p> <p>MOTIVE: Identity METHOD: <i>Data Collection</i></p> <p><i>2 page project statement</i></p>	<p>How do we create the outward appearance of who we are? Are we defined by our choices about hairstyle, tattoos, clothing? How are the categories that define our identity established? How are stereotypes perpetuated and challenged? In this project we will explore how artistic manifestations of the self (and the Other) probe these social constructs.</p>
<p>project two due 2/28</p> <p>MOTIVE: Invention METHOD: <i>The Impossible Project</i></p> <p><i>1 page manifesto design + 1 page project statement</i></p>	<p>Create a proposal for a project they would like to make, but, with your current resources, is completely impossible. Somehow through the course of the assignment these projects will be realized.</p>
<p>project three due 3/7</p> <p>MOTIVE: Ethics in Art METHOD: <i>Artist Case Study Presentation</i></p> <p><i>Bibliography + 2 page outline</i></p>	<p>This unit will explore fundamental questions concerning the artist's ethical responsibilities through student presentations on individual artists and an investigation of the ethical questions around their art practices.</p>
<p>project four due 4/4</p> <p>MOTIVE: Sustainability</p>	<p>How do you personally interact with the more-than-human? What can you do to repair some of the harm currently being done in the age of the Anthropocene? For the project, you will consider actions that have a reparative outcome for a specific harm done to a specific individual,</p>

<p>METHOD: <i>Repair and Reparations</i></p> <p><i>1 page research summary + 2 page project statement</i></p>	<p>species, population, or ecosystem that is not human. Working from with the ARC of reparations (acknowledgement, redress, closure) and restoration ecology, you will compile research and perform carefully considered actions that address historical and/or current harms being done.</p>
<p>project five due 5/2</p> <p>MOTIVE: Change METHOD: <i>Relics, Evidence, Trace</i></p> <p><i>One page artist statement + one page project statement</i></p>	<p>This final section of the class will focus on the nature of time in visual art. Rather than approach an assignment with a certain material or technique, you will perform a ritual for 7 days. This ritual activity will only be recorded through relics that will be collected and presented in order to reveal (or conceal) something about the artist.</p>

CLASS REQUIREMENTS

Studio Work Sessions and Preparation

- o As a studio course, you are expected to work productively and diligently throughout the semester in the classroom. This requires a good amount of planning outside of class to gather materials and tools.
- o Texting and the use of social media must be kept to a minimum during class. Cell phones may be used for research and listening to music on work days if they don't interfere with your work.
- o Consider the safety of yourself and others around you. Always come to class with work clothes, as well as gloves and eye protection when appropriate. Take precaution with sharp blades, hot guns, installation, etc. Keep your workspace tidy by placing away any food, electronics, or backpacks that may cause or be damaged.
- o Clean up after yourself. There is room for papers and flat projects within our flat file drawer. You may sign up for a hall locker to store supplies and mid-size projects. Storing projects in the classroom must be kept to a minimum since other classes share the space.

Attendance

- o **Attendance is mandatory, especially as lectures and critiques cannot be repeated.** It is your responsibility to seek any material you miss, downloading lecture slides and assignment sheets and coming to office hours as needed.
- o You will be allowed **three excused absences for the semester**. In order for an absence to be considered as excused, you must email or speak with me about it before the class.
- o If you must quarantine due to COVID-19, you must talk to me about how you can participate virtually. Such days outside of class due to the pandemic will not be considered absences.
- o **I reserve the right to drop any student who has more than three absences**, which has the potential to affect scholarships. If you know of obligations or circumstances that may affect your attendance, contact me at the beginning of the semester to see if special arrangements are possible.
- o Class sessions marked as **work days spent without materials will be marked as absences**.

Class Participation

- o The sessions after each new project lecture, you will discuss the assigned readings, referring

to quotes, questions, and thoughts noted in your sketchbook.

- o In group critique, you will present completed projects to the class. Please arrive early if your project needs special installation. If using electronics, be sure to test them the session prior to critique. While the format of each critique may vary, it is essential that all students respectfully engage with classmates' work.
- o I will do my best to create a safe academic environment for all students. I ask that you join me in conversation that conveys respect for people of all age, ability, national origin, race, religion, gender identity, gender expression, or sexual orientation.

Readings

Expect to read two chapters and/or articles per project. A clear grasp on the reading is necessary to complete the sketchbook assignments, written work, and to participate in reading discussions.

Sketchbook

Be sure your sketchbook cover is clearly labeled with your name. It is a place to compile lecture notes, project ideas, information, and images that inspire you. For each project, you will receive 0 – 3 points based on the following:

- o *Project development*: chart brainstorming / ideas for each assignment, formal and conceptual notes (1 point)
- o *Individual visual research*: sketches, notes and collaged print-outs on inspiring artists (1 point)
- o *Notes on the readings*: quotes, questions and thoughts (1 point)

Sketchbook assignments are due as follows: Project 1 - (2/9); Project 2 - (3/2); Project 3 - (3/9); Project 4 (4/5); 5 (5/4). You can backfill any points missing by the last day of class for full credit.

Written Work

For each assignment, a written statement is due. Formats will vary by assignment, but generally ask you to engage with readings, articulate the conceptual framework of your piece, discuss specific aesthetic decisions, and to reflect upon your learning. Each statement must be printed and turned in at the beginning of class on its due date. Any paper sent via email automatically loses 10%. **Projects will not be graded until a written statement has also been submitted.**

*All papers must be 1.5 spaced, size 12. Take care to observe University standards for academic honesty including using proper citations, even when paraphrasing, and acknowledging references and sources of inspiration. Please follow the latest edition of Chicago Manual of Style or MLA Handbook for citations. Utilize CAPS services in Zimmerman to ensure proper grammar and formatting.

Digital Portfolio (5%)

Throughout the semester, you are expected to document your projects, as many will not last beyond the critique period. 2D work and large sculptural pieces can be photographed or scanned. Video, web or performances can be represented with stills and/or clips. You can take photos with your phone or with cameras made available through me. On 4/27, you and the instructor will go over a draft of your portfolio to make sure it includes the following:

- o two photographs of each assignment 1 - 5 (10 jpegs)
- o scans of two strong sketchbook pages (3 jpegs)
- o a corresponding image list including your name, file names, title, medium and date for each image (1 pdf)

These 12 pdfs and images list should be in a folder on a USB drive **due on 5/4.**

Accommodation Statement:

In accordance with University Policy 2310 and the Americans with Disabilities Act (ADA), academic accommodations may be made for any student who notifies me of the need for an accommodation. It is imperative that you take the initiative to bring such need to my attention, as I am not legally permitted to inquire. Students who may require assistance in emergency evacuations should contact me as to the most appropriate procedures to follow. Contact Accessibility Resource Center at 277-3506 for additional information.

Title IX:

Our classroom and our University should always be spaces of mutual respect, kindness, and support, without fear of discrimination, harassment, or violence. Should you ever need assistance or have concerns about incidents that violate this principle, please access the resources available to you on campus, especially the LoboRESPECT Advocacy Center and the support services listed on its website (<http://loborespect.unm.edu/>). Please note that, because UNM faculty are considered “responsible employees” by the Department of Education, any disclosure of gender discrimination (including sexual harassment, sexual misconduct, and sexual violence) made to a faculty member must be reported by that faculty member to the university's Title IX coordinator. For more information on the campus policy regarding sexual misconduct, please see: <https://policy.unm.edu/universitypolicies/2000/2740.html>.

Support for Undocumented Students

As an educator, I fully support the rights of undocumented students to an education and to live free from the fear of deportation. I pledge that I will not disclose the immigration status of any student who shares this information with me unless required by a judicial warrant, and I will work with students who require immigration-related accommodations.

Academic Integrity Statement

The University of New Mexico believes that academic honesty is a foundation principle for personal and academic development. All University policies regarding academic honesty apply to this course. Academic dishonesty includes, but is not limited to, cheating or copying, plagiarism (claiming credit for the words or works of another from any type of source such as print, Internet or electronic database, or failing to cite the source), fabricating information or citations, facilitating acts of academic dishonesty by others, having unauthorized possession of examinations, submitting work of another person or work previously used without informing the instructor, or tampering with the academic work of other students. The University's full statement on academic honesty and the consequences for failure to comply is available in the college catalog and in the *Pathfinder*.

Student Grievance Procedure:

<https://pathfinder.unm.edu/campus-policies/student-grievance-procedure.html>

It is your responsibility to be familiar with the full Grievance Procedure. If you have a dispute with an instructor, follow these steps, in this order within four weeks of the original issue.

1. Talk to the Instructor
2. Talk to the Chair of the Department
3. Talk to the Dean of the College

UNM Administrative Mandate on Required Vaccinations

UNM requires COVID-19 vaccination and a booster for all students, faculty, and staff, or an approved exemption (see: UNM Administrative Mandate on Required Vaccinations). Proof of vaccination and booster, or a medical, religious, or online remote exemption, must be uploaded to the UNM vaccination verification site. Failure to provide this proof may result in a registration hold and/or disenrollment for students and disciplinary action for UNM employees.

Booster Requirement: Individuals who received their second dose of a Pfizer or Moderna vaccine on or before June 15, 2021, or their single dose of a Johnson & Johnson vaccine on or before October 15, 2021, must provide documentation of receipt of a booster dose no later than January 17, 2022.

Individuals who received their second dose of a Pfizer or Moderna vaccine after June 15, 2021 or who received their single dose of Johnson & Johnson after November 15, 2021 must provide documentation of receipt of a booster within four weeks of eligibility, according to the criteria provided by the FDA (6 months after completing an initial two-dose Moderna vaccine, 5 months after completing the Pfizer sequence, and 2 months after receiving a one-dose Johnson and Johnson vaccine).

International students: Consult with the Global Education Office.

Exemptions: Individuals who cannot yet obtain a booster due to illness should request a medical, religious, or online remote exemption (which may have an end date) and upload this to the vaccination verification site.

Medical and religious exemptions validated in Fall 2021 (see your email confirmation) are also valid for Spring 2022 unless an end date was specified in the granting of a limited medical exemption. Students must apply for a remote online exemption every semester.

UNM Requirement on Masking in Indoor Spaces

All students, staff, and instructors are required to wear face masks in indoor classes, labs, studios and meetings on UNM campuses, see the masking requirement. Students who do not wear a mask indoors on UNM campuses can expect to be asked to leave the classroom and to be dropped from a class if failure to wear a mask occurs more than once in that class. Students and employees who do not wear a mask in classrooms and other indoor public spaces on UNM campuses are subject to disciplinary actions. Medical/health grade masks are the best protection against the omicron variant and these masks should be used, rather than cloth.

COVID-19 Symptoms and Positive Test Results:

Please do not come to a UNM campus if you are experiencing symptoms of illness, or have received a positive COVID-19 test (even if you have no symptoms)! Contact your instructors and let them know that you should not come to class due to symptoms or diagnosis. Students who need support addressing a health or personal event or crisis can find it at the Lobo Respect Advocacy Center.
