Welcome to **English 1120-504**. I look forward to working with you as we learn how to use the English language to convincingly argue in favor of things we care about and to use our brains to challenge and refute weak arguments when we see them. We will learn close reading techniques, how to analyze various texts and how to parse *Fact from Fiction*. This will not be an easy-breezy class. I will make you read and I will make you write. My goal in this class is to build your confidence as a writer and thinker. If this works for you, stick with me and we will explore new genres of writing and communication together.

Course Description (per the catalog):

In this course, students will explore argument in multiple genres. Research and writing practices emphasize summary, analysis, evaluation, and integration of secondary sources. Students will analyze rhetorical situations in terms of audience, contexts, purpose, mediums, and technologies and apply this knowledge to their reading, writing, and research. Students will sharpen their understanding of how writing and other modes of communication work together for rhetorical purposes. The emphasis of this course will be on research methods.

UNM Administrative Mandate on Required Vaccinations

UNM requires COVID-19 vaccination and a booster for all students, faculty, and staff, or an approved exemption (see: UNM Administrative Mandate on Required Vaccinations). Proof of vaccination and booster, or a medical, religious, or online remote exemption, must be uploaded to the UNM vaccination verification site. Failure to provide this proof may result in a registration hold and/or disenrollment for students and disciplinary action for UNM employees.

Booster Requirement: Individuals who received their second dose of a Pfizer or Moderna vaccine on or before June 15, 2021, or their single dose of a Johnson & Johnson vaccine on or before October 15, 2021, must provide documentation of receipt of a booster dose no later than January 17, 2022.

Individuals who received their second dose of a Pfizer or Moderna vaccine after June 15, 2021 or who received their single dose of Johnson & Johnson after November 15, 2021 must provide documentation of receipt of a booster within four weeks of eligibility, according to the criteria provided by the FDA (6 months after completing an initial two-dose Moderna vaccine, 5 months after completing the Pfizer sequence, and 2 months after receiving a one-dose Johnson and Johnson vaccine).

International students: Consult with the Global Education Office.

Exemptions: Individuals who cannot yet obtain a booster due to illness should request a medical, religious, or online remote exemption (which may have an end date) and upload this to the vaccination verification site.

Medical and religious exemptions validated in Fall 2021 (see your email confirmation) are also valid for Spring 2022 unless an end date was specified in the granting of a limited medical exemption. Students must apply for a remote online exemption every semester.

UNM Requirement on Masking in Indoor Spaces

All students, staff, and instructors are required to wear face masks in indoor classes, labs, studios and meetings on UNM campuses, see the masking requirement. Students who do not wear a mask indoors on UNM campuses can expect to be asked to leave the classroom and to be dropped from a class if failure to wear a mask occurs more than once in that class. Students and employees who do not wear a mask in classrooms and other indoor public spaces on UNM campuses are subject to disciplinary actions. Medical/health grade masks are the best protection against the omicron variant and these masks should be used, rather than cloth.

COVID-19 Symptoms and Positive Test Results:

Please do not come to a UNM campus if you are experiencing symptoms of illness, or have received a positive COVID-19 test (even if you have no symptoms). Contact your instructors and let them know that you should not come to class due to symptoms or diagnosis. Students who need support addressing a health or personal event or crisis can find it at the Lobo Respect Advocacy Center.

Basic Course Policies

No late work is accepted in this course. Weekly writing assignments cannot be made up if a student is absent. Students are expected to attend class and optional Zoom meetings if needed, to log in to blackboard in the classroom and at least twice weekly at home. Be prepared to work when class begins. Open up your notebook, have your pen ready, and be prepared to take notes when class begins. Make sure your computer is on and that you are logged in to begin work in Microsoft Word/Blackboard Learn. **Because we use the computers every day, having your NetID and password is mandatory for success in the course.** No talking is allowed during the lecture. No cellphones are allowed in class. There is a zero tolerance policy for any of these actions. Students who do not comply will be asked to leave without warning and will receive a zero for the day's activities.

Attendance Policy

Attendance will be taken at the beginning of each class. Missing class is not an excuse for being unprepared. If you are absent, it is your responsibility to keep up with reading, get class notes from a fellow student, and /or see me during office hours if you have questions about the material. Students who miss the first week of classes will be dropped. Students who miss more than 4 classes without a written doctors note will be dropped. Arriving 10 minutes after class starts counts as an absence. Excused absences include documented hospitalization or other documented, unexpected extreme emergencies. If excessive absenteeism that falls under the purview of “excused absences” continues, I reserve the right to drop students from the course. Please note: doctor’s appointments, child-care, court dates, and job scheduling conflicts do not count as excused absences.

Plagiarism

Any form of plagiarism is unacceptable and the paper in question will receive a failing grade. Plagiarism means using language and/or ideas without acknowledging their source. Plagiarism includes such activities as copying another student’s papers or ideas, downloading and turning in papers from the Internet, or copying passages from outside sources without proper documentation. We will have a class discussion and assignment on Plagiarism. There will be additional resources on Blackboard as well. Plagiarism may also result in failure of the entire course or disciplinary action by the University.

To learn how to avoid plagiarism, students can speak to me, consult a tutor, or refer to <http://library.acadiu.ca/sites/default/files/library/tutorials/plagiarism/>.

Classroom Behavior

While I do not expect problems when working with adult learners, these policies ensure a safe and productive classroom environment. The following policies are listed in the University of New Mexico Student Handbook.

- 1) Students must treat one another and the instructor with respect. Derogatory remarks or name-calling is prohibited.
- 2) Students should not interrupt classroom lectures or discussion with non-related comments.
- 3) Students may discuss complaints about the course with their instructor; however, the students must do so in the proper environment, such as the instructor’s office during office hours. Constant complaining in class may result in the student being asked to leave for the day’s lesson; continued complaining after the first warning may result in the student being dropped from the course.
- 4) Students should not yell or curse at other students or at the teacher. Class time is a professional learning environment. Obscene language will not be tolerated.
- 5) Sexual harassment will not be tolerated.
- 6) Behavior that threatens the safety of any class member, including the instructor, will not be tolerated. The offending student will be asked to leave for the day and may be dropped from the course. Security will be called. Intoxication, physical assault and or battery, violence, stalking, or threats fall into this category.
- 7) Students must not threaten the instructor concerning their grades. This type of behavior is considered harassment and/or verbal assault. Security will be called.

8) If you ever feel unsafe on campus, please call security at (505) 925-8570.

NETIQUETTE STATEMENT:

Netiquette is a set of rules for behaving properly in an online class.

In our class we will follow the following rules: Be considerate of your fellow students. No swearing or hate speech in the forums. All opinions are welcome, but they must be backed up by facts and reliable sources. No one is allowed to inflame or coerce another student's beliefs, ideas, or assumptions. Everyone has different points of view and debate is a large part of the discussions in this class. Speeches & Debate must be respectful, collegiate, informed and constructive – and it must stay in our class. Proper use of MLA format, grammar, and tone is required in all formats of this class (discussion boards, email, messages, written responses, workshops and writing assignments).

Title IX Statement

In an effort to meet obligations under Title IX, UNM faculty, Teaching Assistants, and Graduate Assistants are considered “responsible employees” by the Department of Education (see page 15 -<http://www2.ed.gov/about/offices/list/ocr/docs/qa-201404-title-ix.pdf>). This designation requires that any report of gender discrimination which includes sexual harassment, sexual misconduct and sexual violence made to a faculty member, TA, or GA must be reported to the Title IX Coordinator at the Office of Equal Opportunity (oeo.unm.edu). For more information on the campus policy regarding sexual misconduct, see: <https://policy.unm.edu/university-policies/2000/2740.html>

Computer and Technology Policies

Students must log in on the scheduled class meeting times with materials in hand. Save your work often and have a back-up file so as to avoid losing your work. Using computers during class time for entertainment, social networking, or personal e-mailing is strictly forbidden. Students who violate this policy will be asked to leave and counted absent for the day. The same rule applies for cell phones. Cell phones must remain off and stored away from work areas. No texting or phone calls are allowed. Be prepared to dedicate our Zoom Meeting exclusively to English.

E-Mail Etiquette

In general, e-mails that you write to me during the semester should include professional language, addressed with a subject heading including the type of question you are asking. For example, “Essay 1” would be an appropriate subject heading for a question regarding the first essay. E-mails should also include a salutation. For example, “Dear Professor Axelrod” would be an appropriate salutation for an electronic message. Be sure to sign your first and last name, and proofread your e-mail for grammatical errors. Please avoid text-speak. Learning to write professional e-mails early on is a skill you need as you progress to higher academic levels and further career pursuits.

Equal Access

Pursuant to the Americans with Disabilities Act (ADA), students with documented special needs will be accommodated in this course. Students with disabilities should visit Accessibility Services to obtain an Equal Access form, which needs to be sent to the professor within the first two weeks of class. The contact information for the Student Services Office is (505) 925-8560 and <http://www.unm.edu/~vcadvise/equalaccess.htm>.

Academic Support

Free tutoring is available at the Learning Resources Center (L Building). Please call 925-8907 for an appointment. I am also available to help you with individual writing issues during my office hours or by appointment. Students who regularly seek tutoring usually see a great improvement in their grades.

Assignment Policy

Unless otherwise specified, all formal writing assignments must follow MLA format and be typewritten, double-spaced in a 12pt, Times New Roman font. Essay length requirements are 750-1000 words each, or 3-4 pages. MLA specifications and help are available on our Blackboard in the Course Content and Resources, and Grammar Goodies section.
