## **COURSE REQUIREMENTS/ATTENDANCE**

**Authentic Conversation:** You will watch and listen to authentic Spanish conversation and practice your speaking skills. Our conversations for “authentic conversation and the language leaning lab” will take place via Canvas. The purpose of this forum is to create a virtual conversation with the class. An audio response is mandatory to receive conversation credit. Because these are interactive assignments, meaning they are assignments that require a response to other classmate's posts, late assignments will not be accepted.

**Language Learning Lab:** Learn "how to learn" and practice things such as pronunciation.

**Cultural Discussions:** Each module will have discussions where you will be able to share thoughts/ideas/resources with classmates revolving around culture, lexical variations, family traditions ect. For full credit you will be required to respond to two classmate's posts. Because these are interactive assignments, meaning they are assignments that require a response to other classmate's posts late assignment will not be accepted.

**Grammar and Writing Assignments:** Grammar and writing assignments will be available in each week's learning module. The online grammar assignments provide practice of the material presented in the learning modules. All exercises should be submitted before or on the assigned due date. The reason for requiring that online exercises be completed by the scheduled due date is because this is not a self-paced course.

### **Grading:**

25% Cultural Discussions

25% Authentic Conversation

25% Grammer and Writing Assignments

25% Language Learning Lab

**Attendance Policy:** Learning a new language well requires consistent effort. In the online classroom attendance and participation are determined by your involvement and engagement with the weekly assignments. There are assignments that must be completed each week on Canvas.

This is a three credit-hour course delivered in an entirely online modality over 15 weeks during the Fall 2022 semester. Please plan for a minimum of 4-6 hours per week to learn course materials and complete assignments.

The particular hour and day you “attend” aren't important, but you must show participation regularly and while logged on, e.g., posting on the discussions boards, submitting assignments, and completing other course work.

Students must actively participate during the first week of class through responses and/or assignment completion. A student who does not submit the required tasks/assignments for Week 1 and has not contacted the instructor may be dropped from the course.

A student with excessive missed assignments may be dropped from the course. Missing 3 or more learning modules in a 12-15-week term (2 or more learning modules in a 6-11 week term) constitutes excessive missed assignments.

Students should not assume he/she will be dropped automatically. A student who is dropped by an instructor for nonattendance is notified at their UNM e-mail address. The instructor's decision is final, but if the student disagrees with the action, he or she must contact the instructor within two working days of receipt of the notification.

Support: Center for Academic Program Support (CAPS) <https://caps.unm.edu/>. Many students have found that time management workshops can help them meet their goals (consult (CAPS) website under "services").

**Withdrawal Policy:** Participants are expected to comply with UNM regulations regarding withdrawal from a course as noted in the class schedule. Note: If you have not shown regular participation for the first full week of the course you may be dropped for non-attendance. Students should not assume they will be dropped automatically. Please drop the class if you no longer intend to attend.

**Instructor Communication Policy:** Emails and messages will be responded to within 24 hours Monday- Thursday, and within 48 hours Friday-Sunday. Contact me directly through [lgalvan2@unm.edu](mailto:lgalvan2@unm.edu). Provide your name and class section in the subject box.

**Grades** are generally released for all assignments and assessments within five days after the due date for the assignments has ended. Feedback will be provided.

### **Special Needs Accommodations (Americans with Disabilities Act-ADA):**

UNM is committed to providing courses that are inclusive and accessible for all participants. As your instructor, it is my objective to facilitate an accessible classroom setting, in which students have full access and opportunity. If you are experiencing physical or academic barriers, or concerns related to mental health, physical health and/or COVID-19, please consult with me after class, via email/phone or during office/check-in hours (I am not legally permitted to inquire about the need for accommodations). We can meet your needs in collaboration with the Accessibility Resource Center (<https://arc.unm.edu/>) at [arcsrvs@unm.edu](mailto:arcsrvs@unm.edu) or by phone (505) 277-3506.

### **Title IX**

Our classroom and our university should always be spaces of mutual respect, kindness, and support, without fear of discrimination, harassment, or violence. Should you ever need assistance or have concerns about incidents that violate this principle, please access the resources available to you on campus. **Citizenship and/or Immigration Status:** All students are welcome in this class regardless of citizenship, residency, or immigration status. Your professor will respect your privacy if you choose to disclose your status. As for all students in the class, family emergency-related absences are normally excused with reasonable notice to the professor, as noted in the attendance guidelines above. UNM as an institution has made a core commitment to the success of all our students, including members of our undocumented community. The Administration's welcome is found on our website: <http://undocumented.unm.edu/>

**Respectful and Responsible Learning:** We all have shared responsibility for ensuring that learning occurs safely and equitably. UNM has important policies to preserve and protect the academic community, especially policies on student grievances (Faculty Handbook D175 and D176), academic dishonesty (FH D100), and respectful campus (FH CO9). These are in the Student Pathfinder (<https://pathfinder.unm.edu>) and the Faculty Handbook (<https://handbook.unm.edu>). Please ask for help in understanding and avoiding plagiarism or academic dishonesty, which can both have very serious consequences.
