This is a three credit-hour course. Class meets for two 75-minute sessions of direct instruction for fifteen weeks during the Fall 2024 semester. Please plan for a *minimum* of six hours of out-of-class work (or homework, study, assignment completion, and class preparation) each week.

This is an accelerated course that requires a great deal of discipline and practice both inside and outside of class time. Please come to class prepared to communicate and participate in group activities using the signs you are learning. Class sessions are Face to Face during the scheduled time and day. Additionally, resources and assignments are posted on CANVAS. <https://canvasinfo.unm.edu/support/index.html>

You are required to have at least one practice partner that you connect with outside for one (1) hour per week to have conversations using your developing skills. This is critical in developing your expressive and receptive skills. Each week you will submit a report summarizing what you and your partner talked about and reflect on your personal growth. The reports will follow a provided template and will be submitted on CANVAS every Thursday before 11 PM. Template is included in this syllabus.

ATTENDANCE

In person attendance is mandatory. Attendance will be taken daily and you are expected to attend all class sessions. Additionally, you are expected to arrive to class on time. Three late arrivals will reflect on your grade as one absence. This includes leaving class early.

Students who miss **4 consecutive classes** may be dropped from the course as per UNM Pathfinder. However, students should not assume that nonattendance will result in being dropped from class. It is the student's responsibility to initiate drops or complete withdrawals within published deadlines utilizing the appropriate process.

Any missed activities, quizzes/tests, or assignments cannot be made up without a documented excuse. **All make-up exams must be scheduled within two days of the original date, taken within a week of the exam date and may be subject to 10-point deduction from final score. Again, documentation must be provided to schedule a make-up exam.**

CLASS PARTICIPATION

Class participation is essential in class. The key advantage of class participation is that it encourages each student to be well-prepared and thus become an active, rather than a passive learner. Participation also provides you with the opportunity to gain from the experiences and talents of everyone in the class. Please feel free to ask questions, provide supportive comments, or challenge constructively what has been said. Those who participate regularly and well will benefit. If you are within one point of the next higher grade level, you will earn the higher grade. For example, if a student had an 89 average and had participated regularly and well the student would receive an A- rather than a B+ for the course. This does not apply for grades between an A and an A+ (check grading chart below).

STUDENT BEHAVIOR

While the instructor does not expect problems when working with adult learners, a guiding principle of respect for one another will ensure a safe and productive environment. Interruptions with non-related comments are discouraged. There may be issues a student needs to discuss that would be more appropriately handled in private and outside of the classroom. No Tolerance policy for obscene language, sexual harassment, and threatening behavior towards students or instructor. There is a process in place to handle complaints...report to The Chair of CHESS and to the Dean of Instruction.

GRADING CHART

Grades are determined from the total test scores accumulated, signing skills, class participation, completed assignments and weekly partner reports.

Grading system may be subject to modification. Final grades are NOT rounded up. Additionally, the use of Artificial Intelligence, AI, including ChatGPT will result in zero credit for any assignment where it is detected. I am interested in your personal growth and journey, not that of a bot. The use of AI is prohibited on all assignments.

Grading Scale

100-97 – A+	87-89 – B+	77-79 – C+	67-69 – D+	
93-96 – A	83-86 – B	73-76 – C	63-66 – D	
90-92 – A –	80-82 – B –	70-72 – C –	60-62 – D –	0-59 F

The grade of INCOMPLETE (INC) is given only when extenuating personal circumstances prevent completing the work by the official ending date of the course (as per UNM Faculty Handbook).

EXAMS

Students are eligible to take a make-up exam if they (in UNM handbook) 1. Have an emergency that prevents them from taking the regularly scheduled exam; 2. Alert the instructor to the emergency prior to the regularly scheduled exam 3. Obtain the instructor's agreement that this is an emergency and that the regularly scheduled exam cannot be taken. If you miss an exam without the permission of the instructor a score of zero will be assigned. Make-up exams are granted at the discretion of the instructor, only with prior arrangement, and must be completed prior to the next class meeting (unless circumstances involved make this clearly impractical).

ACADEMIC HONESTY

Students found cheating or plagiarizing will receive a zero for the exam or assignment in question. UNM Plagiarism Policy <http://unm.edu/~unmvclib/handouts/somplagiarism.pdf>
<https://pathfinder.unm.edu/code-of-conduct.html>

****Use of Electronic Devices** (cell phones/recording audio & video) is not permitted in class. Cell phones are very disruptive to class. As a matter of courtesy, all audible signals of communication devices should be turned off or disabled during class. Individual discretion should be used in determining when exceptions should be made relative to emergency or personal situations.

Respectful and Responsible Learning: We all have shared responsibility for ensuring that learning occurs safely, honestly, and equitably. Submitting material as your own work that has been generated on a website, in a publication, by an artificial intelligence algorithm, by another person, or by breaking the rules of an assignment constitutes academic dishonesty. It is a student code of conduct violation that can lead to a disciplinary procedure. *Please ask me for help in finding the resources you need to be successful in this course. I can help you use study resources responsibly and effectively.* Off-campus paper writing services, problem-checkers and services, websites, and AIs can be incorrect or misleading. Learning the course material depends on completing and submitting your own work. UNM preserves and protects the integrity of the academic community through multiple policies including policies on student grievances (Faculty Handbook D175 and D176), academic dishonesty (FH D100), and respectful campus (FH CO9). These are in the *Student Pathfinder* (<https://pathfinder.unm.edu>) and the *Faculty Handbook* (<https://handbook.unm.edu>).

PARTNER REPORTS

Required outside classroom participation: selection of a partner from within the class. The pair should meet a **minimum of one hour** each week to practice signing without their voices. A Journal entry is expected from each partner specifying the names of the signers, location of practice, time, a brief summary and a prompt to answer. Reports are collected weekly on THURSDAYS throughout the semester before 11 PM.

Partner reports will NOT be accepted if late.

Sign 2125-502 Partner Report Template. Reports are in the ASSIGNMENTS Module. Please Copy and Paste and make this your entry WEEKLY before 11 PM.
