

UNM Valencia
MATH 1220-552, College Algebra
Spring 2026

Instructor: Michael Gonzales

e-mail: mgonza79@unm.edu

Office Location: Tome Campus LRC 107

Instructor Led Tutoring Hours: Mondays: 1200-1230 (In Person), 1300-1500 ([Online](#)), Tuesdays: 1500-1600 ([Online](#)), Wednesdays: 0950-1020 (in Person), 1500-1600 ([Online](#)), and by appointment.

MECS Division Chair: Andrew Taylor (ataylor19@unm.edu)

This is a three credit-hour course delivered in an entirely asynchronous online modality over 16 weeks during the Spring 2026 semester. Please plan for a minimum of 9 hours per week to learn course materials and complete assignments

Text: College Algebra, 2nd edition, by Jay Abramson. ISBN # 978-1-951693-41-1

Available to download for free at: <https://openstax.org/details/books/college-algebra-2e>

Course description: The study of equations, functions and graphs, reviewing linear and quadratic functions, and concentrating on polynomial, rational, exponential and logarithmic functions.

Emphasizes algebraic problem-solving skills and graphical representation of functions. (3 Credit Hours).

Prerequisites: Math 1215 or (1215X and 1215Y and 1215Z) or ACT Math ≥ 22 or SAT Math Section ≥ 540 or ACCUPLACER Next-Generation Advanced Algebra and Functions = 239-248. Check with your adviser to make sure you meet the requirements.

Course Outcomes: The course serves as preparation for Math 1240 and Math 1430. In this course, students will build on their knowledge of polynomial, rational, absolute value, radical, exponential and logarithm functions in several contexts. A complete list of the Student Learning Objectives for this course is given at the end of this syllabus.

Other Requirements:

- Reliable access to a computer or tablet, and Internet. A computer (laptop or desktop) is recommended. Preferred browsers are Chrome, Firefox, or Safari. The preferred operating systems are Windows or Apple.
- Access to UNM Learn requires use your UNM NetID to log into UNM Learn. You may access it directly via <https://canvas.unm.edu/>
- Adobe Reader (a free download), preferably version 11.0 or better.

High School Assignments Homework (15%): Homework and assignments from high school will be contributing to this portion of the grade for the class.

Canvas Assignments (30%): Problems assigned are listed on the course Canvas page and the problems will be found in the textbook which can be downloaded for free. See the textbook section for the link to OpenStax. These written assignments must be completed and turned in by the due date listed on the schedule for full credit. Each written homework assignment is worth 100 points.

A 5% penalty will be incurred for every day your homework is late, up to one week. Example:

A homework assignment submitted three days late will have a maximum point possibility of 85.

- **Submitting Written Homework:** Written homework must be submitted by the deadline indicated on our course Canvas page. All assignments and work should be neat, legible, appropriately organized, include detailed and well-justified steps (mathematically or using your words) that support your solution, and finally be submitted as a **SINGULAR PDF**. Any work that is illegible, doesn't contain proper justification of solutions, or submitted in an incorrect format (not a single PDF, or not a PDF) will not be graded unless submitted properly.

Submissions are still subject to the late homework policy. Canvas Assignments will also include quiz like assignments in canvas where you will answer the questions and then submit your work for those quizzes. Again, any submissions on Canvas must be done as a **single PDF**. If you have difficulties creating PDFs, let me know and I will share resources that you can use. Your one lowest grade will be dropped.

Midterm Exam (25%): There is one midterm exam during the semester given during class. The midterm exam will cover the material from the beginning of the course. If you are ill or an unexpected event happens and cannot make it to the exam; you have one week to make it up. The final exam will cover all the sections in the course.

Final Exam (30%): The final is a cumulative exam that will test all, or nearly all, of the learning objectives for this course. The final exam must be taken during the week scheduled. You are allowed to take the final only once.

Grading: Course Averages: Attendance/Participation 5%, High School Assignments Homework 15%, Written Homework 35%, Midterm Exam 20%, Cumulative Final Exam 25%. Total: 100%

Grading Scale:

| | | |
|------------------------|----------------------|-----------------------|
| A+ [98% - 100%] | A [93% - 98%] | A- [90% - 93%] |
| B+ [88% - 90%] | B [83% - 88%] | B- [80% - 83%] |
| C+ [78% - 80%] | C [70% - 78%] | |
| D [60% - 70%] | | |
| F [0% - 60%] | | |

Expectations:

- Students are expected to conduct themselves in a polite, courteous, professional, and collegial manner. When participating in discussions or interacting with me or other students be respectful at all times.

Students are expected to do their own work and follow UNM's Academic Dishonesty Policy. Support:

- Tutoring Hours: See my tutoring hours listed at the beginning of this syllabus. Feel free to come by or log in for online office hours or make an appointment to get help.
- Form study groups: You may work together with other members of our class.
- Resources to support study skill and time management are available through UNM-Valencia [Learning Commons \(Tutoring\)](#). Tutoring is available to you in math, science, writing, and other subjects through the Learning Commons: Learning and STEM Centers and Writing Center. In person tutoring is in these centers in the LRC (the building that also has the library). Tutoring in Zoom and, for writing, through email, is also available.
- Making use of tutoring is a fantastic way to use your resources and set yourself up to learn deeply and well in your courses. To schedule an appointment, please go to: [Learning Commons Bookings](#).
- If you are making an email appointment with the Writing Center, email your draft to tutor@unm.edu after you fill out the form above.
- If you have difficulty with the scheduling link above, would like an appointment in a subject not listed at that link, or have a question, email tutor@unm.edu. You'll get answers during business hours Monday through Friday. The webpage, with more details about available hours, is here: [Learning Commons: Tutoring Services webpage](#). [Center for Academic Program Support \(CAPS\)](#). Many students have found that time management workshops can help them meet their goals (consult (CAPS) website under "services").
- Student Services: There are various services provided in our Student Services Department. See below about equal access. Also, we have a testing center, advising, and career placement available: [Valencia Student Services](#)

- Many students have found that time management workshops or work with peer tutors can help them meet their goals. These and are other resources are available through [PASOS](#) (Pathways to Articulation and Sustainable Opportunities for Students), [TRIO Student Support Services](#), and [Student Learning Support at the Center for Teaching and Learning](#).

Instructor Response Time: I routinely check the course for postings or emails, Monday (9 am) – Friday (5 pm), and sometimes on the weekend. You can anticipate a 24 to 48-hour response from me, Monday – Thursday. I will try and respond to all weekend (Friday afternoon to Sunday) emails and postings by noon on Monday or earlier. I prefer all communication through email or Canvas Learn.

Other Important Information:

Equal Access: In accordance with University Policy 2310 and the Americans with Disabilities Act (ADA), academic accommodations may be made for any student who notifies the instructor of the need for an accommodation. It is imperative that you take the initiative to bring such needs to the instructor’s attention, as I am not legally permitted to inquire. Students who may require assistance in emergency evacuations should contact the instructor as to the most appropriate procedures to follow. Contact Accessibility Resource Center at 277-3506 for additional information.

If you need an accommodation based on how course requirement interacts with the impact of a disability, you should contact me to arrange an appointment as soon as possible. At the appointment, we can discuss the course format and requirements, anticipate the need for adjustments and explore potential accommodations. I rely on the Disability Services Office for assistance in developing strategies and verifying accommodation needs. If you have not previously contacted them, I encourage you to do so.

If you are a Valencia campus student, contact Equal Access Services at Valencia Campus, Cheryl Dilger at (505) 925-8910 or [Valencia Student Services](#). If you are a main campus student, you can receive documentation from the main campus Accessibility Resource Center. I will not guarantee accommodation without the appropriate documentation.

Academic Integrity: Having academic integrity is paramount to your success in any class. Plagiarism or cheating is not tolerated. Any instance of this will result in a grade of zero for that assignment. Here is the link to the UNM Academic Dishonesty Policy: <https://policy.unm.edu/regents-policies/section-4/4-8.html>. The policy states:

Each student is expected to maintain the highest standards of honesty and integrity in academic and professional matters. The University reserves the right to take disciplinary action, up to and including dismissal, against any student who is found guilty of academic dishonesty or who otherwise fails to meet the expected standards. Any student judged to have engaged in academic dishonesty in course work may receive a reduced or failing grade for the work in question and/or for the course.

Academic Dishonesty is defined as:

“Academic dishonesty” includes, but is not limited to, dishonesty in quizzes, tests, or assignments; claiming credit for work not done or done by others; hindering the academic work of other students; misrepresenting academic or professional qualifications within or without the University; and nondisclosure or misrepresentation in filling out applications or other University records.

Title IX Statement: To meet obligations under Title IX, UNM faculty, Teaching Assistants, and Graduate Assistants are considered “responsible employees.” This designation requires that any report of gender discrimination, which includes sexual harassment, sexual misconduct and sexual violence, made to a faculty member, TA, or GA must be reported to the Title IX Coordinator at the Office Compliance, Ethics and Equal Opportunity (ceeo.unm.edu). For more information on the campus policy regarding sexual misconduct and reporting, see: <https://policy.unm.edu/university-policies/2000/2740.html>.

- Support: [LoboRESPECT Advocacy Center](#), [the Women’s Resource Center](#), and the [LGBTQ Resource Center](#) all offer confidential services.

Respectful and Responsible Learning: We all have shared responsibility for ensuring that learning occurs safely, honestly, and equitably. Submitting material as your own work that has been generated on a website, in a publication, by an artificial intelligence algorithm, by another person, or by breaking the rules of an assignment constitutes academic dishonesty. It is a student code of conduct violation that can lead to a disciplinary procedure. Please ask me for help in finding the resources you need to be successful in this course. I can help you use study resources responsibly and effectively. Off-campus paper writing services, problem-checkers and services, websites, and AIs can be incorrect or misleading. Learning the course material depends on completing and submitting your own work. UNM preserves and protects the integrity of the academic community through multiple policies including policies on student grievances (Faculty Handbook D175 and D176), academic dishonesty (FH D100), and respectful campus (FH CO9). These are in the Student Pathfinder (<https://pathfinder.unm.edu>) and the Faculty Handbook (<https://handbook.unm.edu>).

- Support: Many students have found that time management workshops or work with peer tutors can help them meet their goals. These and are other resources are available through [PA- SOS](#) (Pathways to Articulation and Sustainable Opportunities for Students), [TRIO Student Support Services](#), and [Student Learning Support at the Center for Teaching and Learning](#).

COVID-19 Health and Awareness: COVID-19 Health and Awareness. UNM is a mask friendly, but not a mask required, community. If you are experiencing COVID-19 symptoms, please do not come to class. If you do need to stay home, please communicate with me; I can work with you to provide alternatives for course participation and completion. Let me, an advisor, or another UNM staff member know that you need support so that we can connect you to the right resources. Please be aware that UNM will publish information on websites and email about any changes to our public health status and community response
Support:

- PASOS Resource Center (505) 925-8546, pasps@unm.edu. The Resource Center is an on- campus center that serves as a “one-stop” for all non-academic needs of UNM-Valencia students.
- [Student Health and Counseling \(SHAC\)](#) at (505) 277-3136. If you are having active respiratory symptoms (e.g., fever, cough, sore throat, etc.) AND need testing for COVID- 19; OR if you recently tested positive and may need oral treatment, call SHAC.
- [LoboRESPECT Advocacy Center](#) (505) 277-2911 can offer help with contacting faculty and managing challenges that impact your UNM experience

Accommodations: UNM is committed to providing equitable access to learning opportunities for students with documented disabilities. As your instructor, it is my objective to facilitate an inclusive

classroom setting, in which students have full access and opportunity to participate. To engage in a confidential conversation about the process for requesting reasonable accommodations for this class and/or program, please contact Accessibility Resource Center at arcsrvs@unm.edu or by phone at 505-277-3506. The [UNM-Valencia Equal Access Services](#) (Sarah Clawson, Coordinator), at (505) 925-8840 or by email at sjclawson@unm.edu.

- Support: Contact me at [my email](#) or in office/check-in hours. The UNM-Valencia Equal Access Services (Sarah Clawson, Coordinator), at (505) 925-8840 or by email at sjclawson@unm.edu., Or Accessibility Resource Center (<https://arc.unm.edu>) at arcsrvs@unm.edu or (505) 277-3506.

Citizenship and/or Immigration Status: All students are welcome in this class regardless of citizenship, residency, or immigration status. Your professor will respect your privacy if you choose to disclose your status. As for all students in the class, family emergency-related absences are normally excused with reasonable notice to the professor, as noted in the attendance guidelines above. UNM as an institution has made a core commitment to the success of all our students, including members of our undocumented community. The Administration's welcome is found on our website: <https://undocumented.unm.edu>.

For Military-Connected Students: There are resources on campus designed to help you succeed. You can approach any faculty or staff for help with any issues you may encounter. Many faculty and staff have completed the GREEN ZONE training to learn about the unique challenges facing military-connected students. If you feel that you need help beyond what faculty and/or staff can give you, please reach out to the Veterans Resource Center on main campus at 505-277-3181, or by email at <https://vrc@unm.edu>. The Veterans Coordinator at UNM-Valencia is in the Student Services Office, at 505-925-8560.

Land Acknowledgement: Founded in 1889, the University of New Mexico sits on the traditional homelands of the Pueblo of Sandia. The original peoples of New Mexico Pueblo, Navajo, and Apache since time immemorial, have deep connections to the land and have made significant contributions to the broader community statewide. We honor the land itself and those who remain stewards of this land throughout the generations and also acknowledge our committed relationship to Indigenous peoples. We gratefully recognize our history.

Semester Dates and Deadlines:

- Spring 2026— 16-week classes (deadlines will be different for first and second 8-week classes)
- Tuesday, January 20: First day of class, classes available in Canvas (March 23 for second 8-week class)
- Monday, January 19: Martin Luther King Day, no class
- Friday, January 30, by 5:00 pm: Last day to add a class or to change credit hours or grade mode in LoboWEB. (March 27, for second 8-week class)
- Friday, February 6: Last day to drop without "W" grade and with 100% refund on LoboWEB (April 3, for second 8-week class)
- Friday, April 17: Last day to drop without Student Services permission on LoboWEB. Will receive "W" grade and will be responsible for tuition for the course. (May 1, for second 8-week class)
- Friday, May 8: Last day to drop with the [permission form](#). (Same for second 8-week class)
- Finals Week: Monday, May 11 – Saturday, May 16

MATH 1220 Course Student Learning Outcomes: The following are the objectives for the course. Students will build on their knowledge of polynomial, rational, absolute value,

radical, exponential, and logarithm functions in the following contexts:

1. Use function notation; perform function arithmetic, including composition; find inverse functions.
2. Identify functions and their transformations given in algebraic, graphical, numerical, and verbal representations, and explain these representations' connections.
3. Graph and interpret key features of functions, e.g., intercepts, leading term, end behavior, asymptotes, domain, and range.
4. Solve equations algebraically to answer questions about graphs, and use graphs to estimate solutions to equations.
5. Solve contextual problems by identifying the appropriate type of function given the context and creating a formula based on the information.
 6. Communicate mathematical information using proper notation and verbal explanations.

Tentative Schedule

| Week | Dates | Sections/Topics | Assignments Due |
|------|-------------|-----------------------|-----------------------|
| 1 | 01/19-01/25 | Introduction & Review | |
| 2 | 01/26-02/01 | Sections 2.1 & 2.3 | Syllabus Quiz |
| 3 | 02/02-02/08 | Sections 2.5 & 2.6 | Sections 2.1 & 2.3 HW |
| 4 | 02/09-02/15 | Sections 2.7 & 3.1 | Sections 2.5 & 2.6 HW |
| 5 | 02/16-02/22 | Sections 3.2 & 3.3 | Sections 2.7 & 3.1 HW |
| 6 | 02/23-03/01 | Sections 3.4 & 3.5 | Sections 3.2 & 3.3 HW |
| 7 | 03/02-03/08 | Sections 3.6 & 3.7 | Sections 3.4 & 3.5 HW |
| 8 | 03/09-03/15 | Midterm Exam | Sections 3.6 & 3.7 HW |
| 9 | 03/16-03/22 | Spring Break | |
| 10 | 03/23-03/29 | Sections 4.1 & 4.2 | |
| 11 | 03/30-04/05 | Sections 5.1 & 5.2 | Sections 4.1 & 4.2 HW |
| 12 | 04/04-04/12 | Sections 5.6 & 6.1 | Sections 5.1 & 5.2 HW |
| 13 | 04/13-04/19 | Sections 6.2 & 6.3 | Sections 5.6 & 6.1 HW |
| 14 | 04/20-04/26 | Sections 6.4 & 6.5 | Sections 6.2 & 6.3 HW |
| 15 | 04/27-05/03 | Sections 6.6 | Sections 6.4 & 6.5 HW |
| 16 | 05/04-05/10 | Final Review | Sections 6.6 HW |
| | 05/11-05/16 | Final Exams Week | |
